

complaint and application for the allowance of an unliquidated administrative priority claim filed by the United States against the Debtor as the result of Debtor's alleged violations of standards regulating the usage and closure of underground storage tanks ("USTs"), found at 40 CFR Part 280 and promulgated under Section 9003 of the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. § 6991b. Under the Stipulation and Clarifying Amendment, Debtor is required to escrow \$400,000 which will be used to: remove seven USTs at Debtor's property, properly dispose of the USTs and any residual contents remaining in them, conduct a site assessment (to be reviewed by EPA and two Colorado agencies) and, if necessary, perform corrective action. If the site assessment suggests that corrective action likely will cost more than \$400,000, Debtor is to focus its corrective action efforts upon cleaning up petroleum based contamination. If it develops that less than \$400,000 is needed to abate the UST violations, the unused funds will be returned to Debtor's estate for the benefit of the unsecured creditors. In the event that EPA, Colorado authorities, and Debtor's consultant are not able to agree within nine months of the entry of the Stipulation on all terms of any necessary corrective action plan, Debtor would perform corrective action according to the draft plan most acceptable to EPA.

The Clarifying Amendment states that Debtor (or any trustee appointed to liquidate Debtor's assets under Chapter 11 of the Bankruptcy Code, or any Chapter 7 trustee of the Debtor's estate) could be liable for contamination of Debtor's property that occurred after the date that the Stipulation was filed with the Court and that the Stipulation does not resolve or affect in any way any criminal liability which may exist under any federal statute. Further, the Clarifying Amendment states that the United States waives and withdraws its general unsecured claim for civil penalties in the approximate amount of \$48,000.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed Stipulation and Clarifying Amendment. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, Department of Justice, Washington, DC 20530, and should refer to *In re Yellow Cab Cooperative Association*, DOJ Ref. #90-7-1-761.
