ACTION: Issuing a directive to the Commissioner of Customs amending visa requirements.

EFFECTIVE DATE: September 1, 1996.

SUPPLEMENTARY INFORMATION:

Authority: Executive Order 11651 of March 3, 1972, as amended; section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854).

In 1983, the Governments of the United States and the Republic of Maldives agreed to amend their Visa Arrangement, effected by exchange of letters dated December 29, 1981 and March 22, 1982, to require the use of a standard nine-digit visa number, beginning with the year of quota.

Effective on September 1, 1996, all export visas issued by the Republic of Maldives for cotton, wool and man-made fiber apparel products in Categories 237, 239, 330-359, 431-459 and 630-659, produced or manufactured in Maldives and exported from Maldives on and after September 1, 1996, must contain the nine-digit visa number, beginning with the last digit of the year of export rather than the year of quota. During the period September 1, 1996 through September 30, 1996, U.S. Customs will accept either the new or the old visa number format. Goods exported on and after October 1, 1996 shall be denied entry if not accompanied by an appropriate export visa, beginning with the correct year of export.

In the letter published below, the Chairman of CITA directs the Commissioner of Customs to amend the visa requirements to require the use of the standard nine-digit visa number, beginning with one numeric digit for the last digit of the year of export, followed by the two character alpha country code and a six digit numeric serial number identifying the shipment; e.g., 6MV123456.

See 47 FR 36879, published on August 24, 1992.

Troy H. Cribb,
Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

August 13, 1996.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on August 18, 1982, as amended, by the Chairman, Committee for the Implementation of Textile Agreements. That directive directs you to prohibit entry of certain cotton, wool and man-made fiber apparel, produced or manufactured in Maldives which were not properly visaed by the Government of the Republic of Maldives.

Effective on September 1, 1996, all export visas issued by the Republic of Maldives for cotton, wool and man-made fiber apparel in Categories 237, 239, 330-359, 431-459 and 630-659, produced or manufactured in Maldives and exported from Maldives on and after September 1, 1996, must contain the nine-digit visa number, beginning with the last digit of the year of export rather than the year of quota. During the period September 1, 1996 through September 30, 1996, you are directed to accept either the new or the old visa number format. Goods exported on and after October 1, 1996 must be accompanied by a visa which contains the standard nine-digit visa number, beginning with one numeric digit for the last digit of the year of export, followed by the two character alpha country code and a six digit numeric serial number identifying the shipment; e.g., 6MV123456.

Shipments entered or withdrawn from warehouse according to this directive which are not accompanied by an appropriate export visa shall be denied entry and a new visa must be obtained.

The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

Troy H. Cribb,
Chairman, Committee for the Implementation of Textile Agreements.
