Southern sets forth in the filing its revised demand surcharges and revised interruptible rates that will be charged in connection with its recovery of GSR costs associated with the payment of price differential costs under unrealigned gas supply contracts or contract buyout costs associated with continuing realignment efforts as well as sales function costs during the period May 1, 1996 through July 31, 1996. These GSR costs have arisen as a direct result of customers' elections during restructuring to terminate their sales entitlements under Order No. 636.

Southern states that copies of the filing were served upon Southern's customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 385.214 and 385.211 of the Commission's Rules of Practice and Procedure. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of Southern's filing are on file with the Commission and are available for public inspection.

[Docket No. CP96-756-000]

Texas Eastern Transmission Corporation; Notice of Request Under Blanket Authorization

September 5, 1996.

Take notice that on August 29, 1996, Texas Eastern Transmission Corporation (Texas Eastern), 5400 Westheimer Court, Houston, Texas 77056-5310, filed a request with the Commission in Docket No. CP96-756-000, pursuant to Sections 157.205, and 157.211 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to construct a delivery point in Shelby County, Texas, to provide interruptible transportation service deliveries for Four Square Gas Company, Inc. and the City of Chireno, collectively referred to as (Customers), herein. The Commission granted Texas Eastern a blanket construction certificate issued on November 5, 1982 in Docket No. CP82-535-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

Texas Eastern proposes to construct and install a 2-inch tap valve and 2-inch check valve on Texas Eastern's 24-inch Line No. 11, located approximately at Mile Post 225.70 in Shelby County, Texas (Tap). The Customers would install a single 2-inch turbine meter (Meter Station), approximately 50 feet of 2-inch pipeline which would extend from the Meter Station to the Tap (Connecting Pipe), and the electronic gas measurement equipment (EGM). Texas Eastern states that the Customers have agreed to reimburse Texas Eastern for 100% of the costs and expenses that Texas Eastern would incur for installing the Tap and for reviewing and inspecting the installation of the Meter Station and Connecting Pipe and EGM to be done by the Customers.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an

application for authorization pursuant to Section 7 of the NGA.
