DEPARTMENT OF THE INTERIOR

Office of the Assistant Secretary— Water and Science

Central Utah Project Completion Act; Notice of Intent To Negotiate a Contract Between the Central Utah Water Conservancy District and Department of the Interior To Amend Contract No. 14-06-400-4286 Dated December 28, 1965, and its Supplementary Contract Dated November 26, 1985 Pertaining to the Central Utah Project, UT

AGENCY: Office of the Assistant Secretary—Water and Science, Department of the Interior.

ACTION: Notice of intent to negotiate a contract between the Central Utah Water Conservancy District (CUWCD), and Department of the Interior (DOI) to amend Contract No. 14-06-400-4286

dated December 28, 1965, and its supplementary contract dated November 26, 1985.

SUMMARY: The United States and the CUWCD entered into Contract No. 14-06-400-4286 on December 28, 1965, which was supplemented by contract on November 26, 1985. These contracts provide among other things the terms and conditions whereby Colorado River Storage Project (CRSP) power will be made available for Central Utah Project (CUP) purposes. The enactment of P.L. 102-575, of which titles II through VI comprise the Central Utah Project Completion Act (CUPCA), expanded the purposes of the CUP to include, irrigation water, municipal and industrial water, water conservation, water efficiency improvements, fish and wildlife, recreation, and to provide replacement water for the Daniels Irrigation Company. Since the CRSP power is reserved by the Bureau of Reclamation (Reclamation) for participating project purposes and the CUP is a participating project of the CRSP, the enactment of CUPCA necessitates that amendments to Contract No. 14-06-400-4286 and its supplement be made. It is the intent of the DOI and CUWCD to amend the contracts to be consistent with the provisions of CUPCA, to clarify the procedures whereby CRSP power may be used for project purposes, and to amend such other provisions the parties deem appropriate.

DATES: Dates for public negotiation sessions will be announced in local newspapers.

FOR FURTHER INFORMATION CONTACT: Additional information on matters related to this Federal Register notice can be obtained at the address and telephone number set forth below: Mr. Reed Murray, Program Coordinator, CUP Completion Act Office, Department of the Interior, 302 East 1860 South, Provo UT 84606-6154, Telephone: (801) 379-1237, Internet: rmurray@uc.usbr.gov.
