Antitrust Division

United States v. Brush Fibers, Inc.; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16 (b)-(h), that a proposed Final Judgment, Stipulation and Competitive Impact Statement have been filed with the United States District Court for the Eastern District of Pennsylvania in the above-captioned case.

On August 29, 1996, the United States filed a civil antitrust Complaint to prevent and restrain Brush Fibers, Inc., from conspiring to lessen and eliminate competition for tampico fiber sold in the United States in violation of Section 1 of the Sherman Act (15 U.S.C. 1). Tampico fiber is a vegetable fiber grown in Mexico and used as a filler in industrial and consumer brushes. The complaint alleges that the defendant agreed with its co-conspirator supplier to resell tampico fiber at prices fixed by the supplier and other co-conspirators.

The proposed Final Judgment would prohibit the defendant from directly or indirectly agreeing with a supplier to fix the price at which tampico fiber may be resold by the defendant or any other distributor. The proposed Final Judgment also would prohibit the defendant from entering into any agreement or understanding with any other distributor or with any supplier of tampico fiber for (1) raising, fixing, or maintaining the price or other terms or conditions for the sale or supply of tampico fiber; (2) allocating sales, territories, or customers for tampico fiber; (3) eliminating or discouraging new entry into the tampico fiber market; and (4) eliminating or otherwise restricting the supply of tampico fiber to

any customer. Finally, the proposed Final Judgment would also prohibit the exchange of current and future price information, information regarding sales volume, or the location or identity of customers with any other distributor of tampico fiber or with any supplier other than its own.

Public comment is invited within the statutory sixty (60) day period. Such comments will be published in the Federal Register and filed with the Court. Comments should be addressed to Robert E. Connolly, Chief, Middle Atlantic Office, U.S. Department of Justice, Antitrust Division, The Curtis Center, 6th and Walnut Streets, Suite 650 West, Philadelphia, PA 19106, (telephone number 215-597-7405).

Rebecca P. Dick,
