

of the Department of the Interior and effective November 20, 1996.

**FOR FURTHER INFORMATION CONTACT:**

Information related to this action, including the environmental assessment, is available for review at the Bureau of Land Management, Farmington District Office, 1235 LaPlata Highway, Farmington, NM 87401.

**SUPPLEMENTARY INFORMATION:**

Publication of this notice segregates the public land described above from all other forms of appropriation under the public land laws, including the general mining laws, except for leasing and conveyance under the Recreation and Public Purposes Act and leasing under the mineral leasing laws for a period of two (2) years from date of this publication in the Federal Register. The segregative affect will terminate upon issuance of the lease and patent to the Blanco Canyon Word of Faith, Inc., or two (2) years from the date of this publication, whichever occurs first.

The lease, when issued, will be subject to the following terms:

1. Provisions of the Recreation and Public Purposes Act and to all applicable regulations of the Secretary of the Interior.

2. Provisions of the Resource Conservation and Recovery Act of 1976 (RCRA) as amended, 42 U.S.C. 6901-6987 and the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA) as amended, 42 U.S.C. 9601 and all applicable regulations.

3. Provisions of Title VI of the Civil Rights Act of 1964.

4. Provisions that the lease be operated in compliance with the approved Development Plan.

The patent, when issued, will be subject to the following terms:

1. Reservation to the United States of a right-of-way for ditches and canals in accordance with 43 U.S.C. 945.

2. Reservation to the United States of coal.

3. All valid existing rights, e.g. rights-of-way and leases of record.

4. Provisions that if the patentee or its successor attempts to transfer title to or control over the land to another or the land is devoted to a use other than that for which the land was conveyed, without the consent of the Secretary of the Interior or his delegate, or prohibits or restricts, directly or indirectly, or permits it agents, employees, contractors, or subcontractors, including without limitation, lessees, sublessees and permittees, to prohibit or restrict, directly or indirectly, the use of any part of the patented lands or any of the facilities whereon by any person

because of such person's race, creed, color, or national origin, title shall revert to the United States.

The lands are not needed for Federal purposes. Leasing and later patenting is consistent with current Bureau of Land Management policies and land use planning. The estimated time of lease issuance is December 31, 1996, with the patent being issued upon substantial development taking place. The proposal serves the public interest since it would provide a church and recreation facilities that would meet the needs of the surrounding Navajo Indian population.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-378]

**Certain Asian-Style Kamaboko Fish Cakes; Notice of Issuance of Limited Exclusion Order and Cease and Desist Orders and Termination of Investigation**

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has issued a limited exclusion order and cease and desist orders to domestic respondents New Japan Food Corporation and Rhee Brothers, Inc. in the above-captioned investigation and terminated the investigation.

**FOR FURTHER INFORMATION CONTACT:** Jay H. Reiziss, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-3116.

### SUPPLEMENTARY INFORMATION:

Complainant Yamasa Enterprises filed a complaint with the Commission on August 15, 1995, and a supplementary complaint on September 6, 1995, alleging that certain respondents were importing, selling for importation, and selling in the United States after importation certain Asian-style kamaboko fish cakes bearing marks or logos that were infringing trademarks owned by Yamasa Enterprises. The complaint named six entities as respondents: Yamasa Kamaboko Co., Ltd. ("YKCL"), Alpha Oriental Foods, Inc. ("Alpha"), N.A. Sales, Inc., New Japan Food Corporation ("New Japan"), Rhee Brothers, Inc. ("Rhee Brothers"), and Rokko Trading Co., Inc. N.A. Sales, Inc. and Rokko Trading Co., Inc. were terminated from the investigation on the basis of a settlement agreement. Alpha was never served and is believed to be out of business.

The Commission voted to institute an investigation of Yamasa Enterprise's complaint on September 12, 1995. 60 FR 48722 (September 20, 1995). On December 6, 1995, the complaint was

amended to reflect the issuance to complainant by the U.S. Patent and Trademark Office on September 12, 1995, of a registered trademark for the word "Yamasa."

On May 21, 1996, the ALJ issued Order No. 15 comprising, inter alia, two initial determinations (IDs) in which he granted (1) complainant's motion for summary determination that its investments in the United States satisfy the domestic industry requirement of section 337, and (2) complainant's motion for summary determination on all issues (including domestic industry) necessary to establish a violation of section 337. Order No. 15 also granted complainant's motion that respondents Rhee Brothers and New Japan be found in default, and granted in part complainant's motion for evidentiary sanctions against respondent YKCL for its failure to provide discovery.

On June 21, 1996, the Commission determined not to review the IDs, thereby finding a violation of section 337, and issued a notice seeking submissions from the parties on the issues of remedy, the public interest, and bonding. Complainants and the IA filed briefs on the issues of remedy, the public interest, and bonding. None of the respondents filed any written submissions on these issues. No reply briefs were filed.

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission made its determinations on the issues of remedy, the public interest, and bonding. The Commission determined that a limited exclusion order prohibiting the unlicensed importation for consumption of infringing Asian-style Kamaboko fish cakes produced and/or imported by YKCL is an appropriate remedy. In addition, the Commission issued cease and desist orders to domestic respondents New Japan and Rhee Brothers requiring them to cease and desist from the following activities in the United States: importing, selling, marketing, advertising, distributing, soliciting agents or distributors for, offering for sale, or otherwise transferring (except for exportation) in the United States infringing imported Asian-style kamaboko fish cakes.

The Commission also determined that the public interest factors enumerated in 19 U.S.C. §§ 1337 (d) and (f) do not preclude the issuance of the limited exclusion order and the cease and desist orders, and that the bond during the Presidential review period shall be in the amount of one hundred (100) percent of the entered value of the imported fish cakes.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and section 210.50 of the Commission's Rules of Practice and Procedure (19 CFR 210.50).

Copies of the Commission's remedial orders, the Commission opinion in support thereof, and all other nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

Issued: September 13, 1996.

By order of the Commission.

Donna R. Koehnke,

Secretary.
