**AGENCY:** NAFTA Secretariat, United States Section, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Binational Panel Decision.

**SUMMARY:** On September 27, 1996 the Binational Panel issued its decision in the review of the final antidumping duty administrative review made by the Secretaria de Comercio y Fomento Industrial de Mexico (SECOFI) respecting Flat Coated Sheet Products from the United States, Secretariat File No. MEX-94-1904-01. The Binational Panel unanimously affirmed in part and remanded in part the final determination. A copy of the complete Panel decision in Spanish or English is available from the NAFTA Secretariat.

**FOR FURTHER INFORMATION CONTACT:** James R. Holbein, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, Washington, D.C. 20230, (202) 482-5438.

**SUPPLEMENTARY INFORMATION:** Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent

binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the Federal Register on February 23, 1994 (59 FR 8686). The Binational Panel review in this matter was conducted in accordance with these Rules.

#### Background

On September 1, 1994 Inland Steel Company and USX Corporation filed a First Request for Panel Review with the Mexican Section of the NAFTA Secretariat pursuant to Article 1904 of the North American Free Trade Agreement. Panel review was requested of the final antidumping determination that was published in the *Diario Oficial* on August 2, 1994. Complaints were filed by Inland, USX, Bethlehem Steel Corporation, LTV Steel Company, New Process Steel Corporation and Industrias Monterrey, S.A. de C.V. (IMSA). Briefs were filed by all participants and oral argument was held in accordance with the Rules.

#### Panel Decision

In its September 27 decision, the Binational Panel unanimously affirmed in part and remanded in part the final determination. In its Order the panel affirmed all aspects of the final determination except for several specific instructions to SECOFI to take further actions. The Panel Order then enumerated specific actions involving competence and formality requirements, dumping issues, and injury issues. The Panel directed SECOFI, on remand, to comply with the specific instructions within 120 days of the date of this Order (by not later than January 27, 1997.)

Dated: October 14, 1996.

James R. Holbein,

United States Secretary, NAFTA Secretariat.
