**Submission for OMB Review;
Comment Request—Requirements for
Electrically Operated Toys and
Children's Articles**

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: In the Federal Register of December 4, 1995 (60 FR 62077), the Consumer Product Safety Commission published a notice in accordance with provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) to announce the agency's intention to seek extension of approval of the collection of information in the Requirements for Electrically Operated Toys or Other Electrically Operated Articles Intended for Use by Children (16 CFR Part 1505). By publication of this notice, the Commission announces that it has submitted to the Office of Management and Budget a request for reinstatement of approval of that collection of information without change through December 31, 1999.

The regulations in Part 1505 establish performance and labeling requirements

for electrically operated toys and children's articles to reduce unreasonable risks of injury to children from electric shock, electrical burns, and thermal burns associated with those products. Section 1505.4(a)(3) of the regulations requires manufacturers and importers of electrically operated toys and children's articles to maintain records for three years containing information about: (i) material and production specifications; (2) the quality assurance program used; (3) results of all tests and inspections conducted; and (4) sales and distribution of electrically operated toys and children's articles.

The records of testing and other information required by the regulations allow the Commission to determine if electrically operated toys and children's articles comply with the requirements of the regulations in Part 1505. If the Commission determines that products fail to comply with the regulations, this information also enables the Commission and the firm to: (i) identify specific lots or production lines of products which fail to comply with applicable requirements; and (ii) notify distributors and retailers in the event those products are subject to recall.

**Additional Information About the
Request for Reinstatement of Approval
of a Collection of Information**

Agency address: Consumer Product Safety Commission, Washington, DC 20207.

Title of information collection: Requirements for Electrically Operated Toys or Other Electrically Operated Articles Intended for Use by Children, 16 CFR Part 1505.

Type of request: Reinstatement of approval without change.

General description of respondents: Manufacturers and importers of electrically operated toys and children's articles.

Estimated number of respondents: 40.

Estimated average number of hours per respondent: 200 per year.

Estimated number of hours for all respondents: 8,000 per year.

Comments: Comments on this request for extension of approval of information collection requirements should be sent within 30 days of publication of this notice to Victoria Wassmer, Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503; telephone: (202) 395-7340. Copies of the request for reinstatement of information collection requirements and supporting documentation are available from Carl Blechschmidt, Acting Director, Office of Planning and

Evaluation, Consumer Product Safety Commission, Washington, DC 20207; telephone: (301) 504-0416, extension 2243.

Dated: October 25, 1996.

BILLING CODE 6355-01-P

**Submission for OMB Review;
Comment Request—Safety Standard
for Walk-Behind Power Lawn Mowers**

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: In the Federal Register of January 31, 1996 (61 FR 3373), the Consumer Product Safety Commission published a notice in accordance with provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) to announce the agency's intention to seek extension of approval of the collection of information in the Safety Standard for Walk-Behind Power Lawn Mowers (16 CFR Part 1205). By publication of this notice, the Commission announces that it has submitted to the Office of Management and Budget a request for reinstatement of approval of that collection of information without change through December 31, 1999.

The Safety Standard for Walk-Behind Power Lawn Mowers establishes performance and labeling requirements for mowers to reduce unreasonable risks of injury resulting from accidental contact with the moving blades of mowers. Certification regulations implementing the standard require manufacturers, importers and private labelers of mowers subject to the standard to test mowers for compliance with the standard, and to maintain records of that testing.

The records of testing and other information required by the certification regulations allow the Commission to determine that walk-behind power mowers subject to the standard comply with its requirements. This information also enables the Commission to obtain corrective actions if mowers fail to comply with the standard in a manner which creates a substantial risk of injury to the public.

**Additional Information About the
Request for Reinstatement Of Approval
of a Collection of Information**

Agency address: Consumer Product Safety Commission, Washington, DC 20207.

Title of information collection: Safety Standard for Walk-Behind Power Lawn Mowers, 16 CFR Part 1205.

Type of request: Reinstatement of approval without change.

General description of respondents: Manufacturers, importers, and private labelers of walk-behind power lawn mowers.

Estimated number of respondents: 75.

Estimated average number of hours per respondent: 390 per year.

Estimated number of hours for all respondents: 29,250 per year.

Comments: Comments on this request for extension of approval of information collection requirements should be sent within 30 days of publication of this notice to Victoria Wassmer, Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503; telephone: (202) 395-7340. Copies of the request for reinstatement of information collection requirements and supporting documentation are available from Carl Blechschmidt, Acting Director, Office of Planning and Evaluation, Consumer Product Safety Commission, Washington, DC 20207; telephone: (301) 504-0416, extension 2243.

Dated: October 25, 1996.

Sadye E. Dunn,

Secretary, Consumer Product Safety Commission.

DEPARTMENT OF DEFENSE

Department of the Navy

Notice of Intent To Prepare an Environmental Impact Statement for the Disposal; and Reuse of Marine Corps Air Station El Toro, Santa Ana, California

SUMMARY: Pursuant to the National Environmental Policy Act as implemented by the Council on Environmental Quality regulations (40 CFR Parts 1500-1508), the U.S. Marine Corps intends to prepare an Environmental Impact Statement (EIS) to evaluate the environmental effects of the disposal and reuse of Marine Corps Air Station (MCAS) El Toro. Located in Orange County, MCAS El Toro is north and east of the City of Irvine and west of the City of Lake Forest.

As a result of the 1993 Defense Base Realignment and Closure (BRAC) process, MCAS El Toro was slated for closure by 1999. Orange County was designated as the federally recognized Local Redevelopment Authority for the

development of the Community Reuse Plan at MCAS El Toro. Accordingly, Orange County is preparing the Community Reuse Plan simultaneously with an Environmental Impact Report required under the California Environmental Quality Act. An EIS, which is required for the disposal and reuse of MCAS El Toro, is being prepared by the Marine Corps in accordance with NEPA. The Community Reuse Plan will be the basis for the proposed action and the alternatives analyzed in the EIS. The Federal Aviation Administration is a cooperating agency for this EIS.

Environmental issues to be addressed in the EIS include: geological resources, biological resources, water resources, noise, air quality, land use compatibility, cultural resources, socioeconomic, environmental justice, public health and safety, transportation/circulation, aesthetics, utilities, hazardous materials, and solid waste.

The Marine Corps will initiate a scoping process for the purpose of determining the extent of issues to be addressed and identifying the significant issues related to this action. The Marine Corps will hold two public scoping meetings. The first will be on November 13, 1996, beginning at 5:30 pm, at Mission Viejo High School, 25025 Chrisanta Drive, Mission Viejo, California; and the second will be on November 14, 1996, beginning at 7:00 pm at Irvine City Hall, 1 Civic Center Plaza, Irvine, California. These meetings will be advertised in area newspapers.

A brief presentation will precede request for public comment. Marine Corps representatives will be available at these meetings to receive comments from the public regarding issues of concern to the public. It is important that federal, state, and local agencies and interested individuals take this opportunity to identify environmental concerns that should be addressed during the preparation of the EIS. In the interest of available time, each speaker will be asked to limit their oral comments to five minutes.

Agencies and the public are also invited and encouraged to provide written comment on scoping issues in addition to, or in lieu of, oral comments at the public meeting. To be most helpful, scoping comments should clearly describe specific issues or topics which the commentator believes the EIS should address. Written statements and or questions regarding the scoping process should be mailed to: Commanding Officer, Southwest Division, Naval Facilities Engineering Command, 1220 Pacific Highway, San Diego, CA 92132-5190 (Attn: Mr. Dan

Muslin, Code 232). All comments must be received no later than December 6, 1996.

Date: October 24, 1996.

Lawrence L. Larson,

Colonel, U.S. Marine Corps, Head, Land Use and Military Construction Branch, Facilities and Services Division, Installations and Logistics Department, By direction of the Commandant of the Marine Corps.

BILLING CODE 3810-FF-P

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

ACTION: Proposed collection; comment request.

SUMMARY: The Director, Information Resources Group, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before December 30, 1996.

ADDRESSES: Written comments and requests for copies of the proposed information collection requests should be addressed to Patrick J. Sherrill, Department of Education, 600 Independence Avenue, S.W., Room 5624, Regional Office Building 3, Washington, DC 20202-4651.

FOR FURTHER INFORMATION CONTACT:

Patrick J. Sherrill (202) 708-8196.

Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director of the Information Resources Group publishes this notice containing proposed information collection requests prior to submission of these requests to OMB.
