- (3) Furnish detailed reports about matching programs to Congress and OMB;

Notice of Computer Matching Program, Department of the Treasury (Treasury) Cash Transaction Files With the Social Security Administration (SSA) Supplemental Security Income Record (SSR)

A. Participating Agencies

SSA and Treasury.

B. Purpose of the Matching Program

The purpose of this new matching operation is to establish conditions and procedures for Treasury disclosure of certain cash transaction report information useful to SSA in verifying eligibility and payment amounts in the supplemental security income (SSI) program which provides benefits under title XVI of the Social Security Act (the Act) to individuals with income and resources below levels established by law and regulations.

C. Authority for Conducting the Matching Program

Sections 1631(e)(1)(B) and 1631(f) of the Act (42 U.S.C. 1383(e)(1)(B) and (f)) and 31 U.S.C. 5311 *et seq.* (the Currency and Foreign Transactions Reporting Act of 1970 or "Bank Secrecy Act").

D. Categories of Records and Individuals Covered by the Matching Program

SSA will provide Treasury with a finder file, extracted from its SSR, containing names and other identifying

information of individuals who receive SSI payments. This information will be matched with Treasury files contained in Treasury's currency and banking retrieval system and a reply file of matched records will be furnished to SSA. Upon receipt of Treasury's reply file, SSA will match identifying information from the Treasury file with SSA's records to ensure that the data pertain to the relevant SSI recipients.

E. Inclusive Dates of the Match

The matching program shall become effective 40 days after a copy of the agreement, as approved by the Agency's respective Data Integrity Boards, is sent to Congress and the Office of Management and Budget (OMB) (or later if OMB objects to some or all of the agreement), or 30 days after publication of this notice in the Federal Register, whichever date is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
