**National Fuel Gas Supply Corporation;
Notice of Request Under Blanket
Authorization**

November 7, 1996.

Take notice that on October 28, 1996, National Fuel Gas Supply Corporation (National), 10 Lafayette Square, Buffalo, New York 14203, filed in Docket No. CP97-74-000, a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and

157.211) for authorization to construct and operate a new tap that will render service to an existing firm transportation customer, National Fuel Gas Distribution Corporation (Distribution), under the blanket certificate issued in Docket No. CP83-4-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

National proposes to construct and operate a new tap in the Town of Arcade, Wyoming County, New York, on National's Lime PY-8. National says the proposed annual quantity of gas to be delivered at this tap is estimated to be 1,000 Mcf. National explains that this tap will provide service to Distribution pursuant to National's EFT Rate Schedule. National reports that the estimated cost of the tap will be \$34,000, for which National will be reimbursed by Distribution.

National states that its FERC Gas Tariff does not prohibit the addition of this new tap; that the volumes to be delivered at the proposed tap will be within the certificated entitlements of Distribution; and that the proposed service will have a minimal impact on National's peak day and annual deliveries.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

National Fuel Gas Supply Corporation; Notice of Section 4 Filing

November 7, 1996.

Take notice that on November 4, 1997, National Fuel Gas Supply Corporation (National Fuel) tendered for filing pursuant to Section 4 of the

Natural Gas Act, a notice of termination of gathering services which National Fuel currently provides on non-jurisdictional facilities which are being conveyed to Contract Services, a producer of natural gas, in Pennsylvania. National Fuel states that no transportation agreement with National Fuel will be terminated as a result of this conveyance and that service to the one residential customer served off these facilities will not be adversely affected by the conveyance.¹

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C., 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. Under section 154.210 of the Commission's Regulations, all such motions or protests should be filed on or before November 18, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
