BILLING CODE 3510-07-P

Economic Development Administration

Notice of Intent to Prepare a Draft Environmental Impact Statement for Development of a New Business Park to be Located in Lackawanna County, Pennsylvania

AGENCY: Economic Development Administration, U.S. Department of Commerce.

ACTION: Notice of Intent to prepare a Draft Environmental Impact Statement.

SUMMARY: The Economic Development Administration (EDA) is issuing this notice to advise the public that a draft Environmental Impact Statement (EIS) will be prepared and considered in EDA's decision whether to provide federal financial assistance for the development of a new business park to be located in Lackawanna County, Pennsylvania.

SUPPLEMENTARY INFORMATION: EDA received an application from the Scranton Lackawanna County Industrial Building Company (SLIBCO) for financial assistance from EDA to develop a new business park, located in Lackawanna County, Pennsylvania. EDA initially made the award, but suspended the grant to undertake further review of the impacts of developing such a business park at the selected location. SLIBCO studied several alternative sites before selecting the proposed site located in the Borough of Jessup, approximately eight miles northeast of the City of Scranton, along SR 247, referred to as Moosic Mountain. Additionally, the Federal Bureau of

Prisons (Bureau), U.S. Department of Justice, is considering locating a federal correctional facility in the area, and is considering a portion of the Moosic Mountain site as a location for that facility. The Bureau plans to cooperate with EDA as necessary during the process and to distribute for public review documentation if applicable, which further discusses the Bureau's proposal.

Whether, and upon what conditions, EDA should award financial assistance to develop the Moosic Mountain site in the manner proposed by SLIBCO will be the subject of a detailed study in the form of a draft EIS. The topics to be studied as part of the draft EIS include, but are not limited to: topography, geology/soils, hydrology, biological resources, utility services, transportation services, cultural resources, land uses, hazardous materials, air and noise quality, and secondary and cumulative impacts, among others.

PUBLIC SCOPING MEETING: To ensure that the full range of issues related to the proposed action are addressed and all potential significant issues are identified and considered, comments and suggestions are being solicited. To facilitate receipt of comments, representatives of EDA will conduct a Scoping Meeting to which all interested persons are invited to attend. The Scoping Meeting will be held at a location convenient to the citizens of Lackawanna County. Both written and oral comments will be accepted at the meeting.

DRAFT EIS PREPARATION: Public notice will be given concerning the availability of the draft EIS for public review and comment.

International Trade Administration

Export Trade Certificate of Review

AGENCY: International Trade Administration, Commerce.

ACTION: Notice of initiation of process to revoke export trade certificate of review no. 92-00006.

SUMMARY: The Secretary of Commerce issued an export trade certificate of review to McChris International. Because this certificate holder has failed to file an annual report as required by law, the Department is initiating proceedings to revoke the certificate. This notice summarizes the notification letter sent to McChris International.

FOR FURTHER INFORMATION CONTACT: W. Dawn Busby, Director, Office of Export Trading Company Affairs, International Trade Administration, (202) 482-5131. This is not a toll-free number.

SUPPLEMENTARY INFORMATION: Title III of the Export Trading Company Act of 1982 ("the Act") [15 U.S.C. 4011-21] authorizes the Secretary of Commerce to issue export trade certificates of review. The regulations implementing Title III ["the Regulations"] are found at 15 CFR part 325. Pursuant to this authority, a certificate of review was issued on July 2, 1992 to McChris International.

A certificate holder is required by law (Section 308 of the Act, 15 U.S.C. 4018) to submit to the Department of Commerce annual reports that update financial and other information relating to business activities covered by its certificate. The annual report is due within 45 days after the anniversary date of the issuance of the certificate of review [Sections 325.14 (a) and (b) of the Regulations]. Failure to submit a complete annual report may be the basis for revocation. [Sections 325.10(a) and 325.14(c) of the Regulations.]

The Department of Commerce sent to McChris International on June 21, 1996, a letter containing annual report questions with a reminder that its annual report was due on August 16, 1996. Additional reminders were sent on August 26, 1996, and on October 10, 1996. The Department has received no written response to any of these letters.

On November 20, 1996, and in accordance with Section 325.10(c)[1] of the Regulations, a letter was sent by certified mail to notify McChris International that the Department was formally initiating the process to revoke its certificate. The letter stated that this action is being taken because of the certificate holder's failure to file an annual report.

In accordance with Section 325.10(c)(2) of the Regulations, each certificate holder has thirty days from the day after its receipt of the notification letter in which to respond. The certificate holder is deemed to have received this letter as of the date on which this notice is published in the

Federal Register. For good cause shown, the Department of Commerce can, at its discretion, grant a thirty-day extension for a response.

If the certificate holder decides to respond, it must specifically address the Department's statement in the notification letter that it has failed to file an annual report. It should state in detail why the facts, conduct, or circumstances described in the notification letter are not true, or if they are, why they do not warrant revoking the certificate. If the certificate holder does not respond within the specified period, it will be considered an admission of the statements contained in the notification letter (Section 325.10(c)[2] of the Regulations).

If the answer demonstrates that the material facts are in dispute, the Department of Commerce and the Department of Justice shall, upon request, meet informally with the certificate holder. Either Department may require the certificate holder to provide the documents or information that are necessary to support its contentions (Section 325.10(c)[3] of the Regulations).

The Department shall publish a notice in the Federal Register of the revocation or modification or a decision not to revoke or modify (Section 325.10(c)[4] of the Regulations). If there is a determination to revoke a certificate, any person aggrieved by such final decision may appeal to an appropriate U.S. district court within 30 days from the date on which the Department's final determination is published in the Federal Register (Sections 325.10(c)(4) and 325.11 of the Regulations).

Dated: November 20, 1996.

W. Dawn Busby,

Director, Office of Export Trading Company Affairs.
