Mr. Li has accepted the ORI finding and has entered into a Voluntary Exclusion Agreement with ORI in which he has voluntarily agreed, for the three (3) year period beginning November 18, 1996:

(1) To exclude himself from serving in any advisory capacity to the Public Health Service (PHS), including but not limited to service on any PHS advisory committee, board, and/or peer review committee, or as a consultant; and

(2) That any institution that submits an application for PHS support for a research project on which the respondent's participation is proposed or which uses the respondent in any capacity on PHS supported research must concurrently submit a plan for supervision of his duties. The supervisory plan must be designed to ensure the scientific integrity of the respondent's research contribution. The institution must submit a copy of the supervisory plan to ORI.

The fabricated abstract was not submitted and has not been published or used in any grant applications.
