## DEPARTMENT OF JUSTICE

### Antitrust Division

#### **United States of America v. Westinghouse Electric Corporation and Infinity Broadcasting Corporation; Proposed Final Judgment and Competitive Impact Statement**

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16(b)-(h), that a proposed Final Judgment, Stipulation, and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States v. Westinghouse Electric Corporation and Infinity Broadcasting Corporation*, Civil Action No. 96-02563. The proposed Final Judgment is subject to approval by the Court after the expiration of the statutory 60-day public comment period and compliance with the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16(b)-(h).

The United States filed a civil antitrust Complaint on November 12, 1996, alleging that the proposed acquisition of the Infinity Broadcasting Corporation ("Infinity") by the Westinghouse Electric Corporation ("Westinghouse") would violate Section 7 of the Clayton Act, 15 U.S.C. § 18. The Complaint alleges that Westinghouse

and Infinity own and operate numerous radio stations throughout the United States, and that they each own and operate stations in the Philadelphia, Pennsylvania and Boston, Massachusetts metropolitan areas. This acquisition would give Westinghouse control over more than 40 percent of the radio advertising revenues in those metropolitan areas, as well as a substantial amount of control over access to certain demographic groups of radio listeners targeted by advertisers in those metropolitan areas. As a result, the combination of these companies would substantially lessen competition in the sale of radio advertising time in the Philadelphia and Boston metropolitan areas.

The prayer for relief seeks: (a) Adjudication that Westinghouse's proposed acquisition of Infinity would violate Section 7 of the Clayton Act; (b) preliminary and permanent injunctive relief preventing the consummation of the proposed acquisition; (c) an award to the United States of the costs of this action; and (d) such other relief as is proper.

Shortly before this suit was filed, a proposed settlement was reached that permits Westinghouse to complete its acquisition of Infinity, yet preserves competition in the markets in which the transaction would raise significant competitive concerns. A Stipulation and proposed Final Judgment embodying the settlement were filed with the Court at the same time the Complaint was filed.

The proposed Final Judgment orders Westinghouse to divest WMMR-FM, currently owned by Westinghouse, and WBOS-FM, currently owned by Infinity, in Philadelphia and Boston, respectively. Unless the United States grants an extension of time, Westinghouse must divest these radio stations within six months after the filing of the Final Judgment, or within five (5) business days after notice of entry of the Final Judgment, whichever is later. If Westinghouse does not divest these stations within the divestiture period, the Court may appoint a trustee to sell the assets. The proposed Final Judgment also requires the defendants to ensure that, until the divestitures mandated by the Final Judgment have been accomplished, WMMR-FM and WBOS-FM will be operated independently as viable, ongoing businesses, and kept separate and apart from Westinghouse's and Infinity's other Philadelphia and Boston radio stations, respectively. Further, the proposed Final Judgment requires the defendants to give plaintiff prior notice regarding future radio station

acquisitions and future Joint Sales Agreements, Local Marketing Agreements or comparable arrangements in Philadelphia and Boston.

A Competitive Impact Statement filed by the United States describes the Complaint, the proposed Final Judgment, and remedies available to private litigants.

Public comment is invited within the statutory 60-day comment period. Such comments, and the responses thereto, will be published in the Federal Register and filed with the Court. Written comments should be directed to Craig W. Conrath, Chief, Merger Task Force, Antitrust Division, 1401 H Street, NW, Suite 4000, Washington, D.C. 20530 (telephone: 202-307-0001). Copies of the Complaint, Stipulation, proposed Final Judgment and Competitive Impact Statement are available for inspection in Room 215 of the Antitrust Division, Department of Justice, 325 7th St., NW, Washington, D.C. 20530 (telephone: 202-514-2481), and at the office of the Clerk of the United States District Court for the District of Columbia, Third Street and Constitution Avenue, NW, Washington, D.C. 20001.

Copies of any of these materials may be obtained upon request and payment of a copying fee.
