**Notice of Inventory Completion of
Native American Human Remains
From the Island of Lāna'i in the
Possession of the Bernice Pauahi
Bishop Museum, Honolulu, HI**

AGENCY: National Park Service, Interior.
ACTION: Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003 (d), of the completion of the inventory of human remains from the Island of Lāna'i in the possession of the Bernice Pauahi Bishop Museum Honolulu, HI.

A detailed inventory and assessment of these human remains has been made by Bishop Museum's professional staff and representatives of Hui Mālama I Nā Kūpuna 'O Hawai'i Nei and the Office of Hawaiian Affairs Hui Mālama Pono O Lāna'i, Native Hawaiian organizations under 25 U.S.C. 3001 (11).

The human remains were found at various times and locations on the island of Lāna'i. About 1954, a small clipping of hair was recovered from a non-burial site in Maunalei Gulch by Bishop Museum anthropologist Kenneth P. Emory. In 1957, George V. Whisenand donated a cloth bundle from Lāna'i one human tooth to the Bishop Museum. At an unknown date, an anonymous source donated one human tooth from an unknown location on Lāna'i.

No known individuals were identified. No attempt was made to determine the age of these human remains at the request of Hui Mālama Pono O Lāna'i. The geographic location of the human remains from Maunalei Gulch is consistent with documented Hawaiian occupation of the area. Inclusion of Native Hawaiian remains in bundles is historically and ethnographically documented. Officials of the Bishop Museum feel that the single tooth from the unknown location on Lāna'i is more than likely Native Hawaiian.

Based on the above information, officials of Bishop Museum have determined, pursuant to 43 CFR 10.2 (d)(1), that the human remains listed above represent the physical remains of

three individuals of Native American ancestry. Officials of Bishop Museum have determined pursuant to 25 U.S.C. 3001 (2) that there is a relationship of shared group identity which can be reasonably traced between these remains and present-day members of Hui Mālama Pono O Lāna'i, Hui Mālama I Nā Kūpuna 'O Hawai'i Nei and the Office of Hawaiian Affairs.

This notice has been sent to Hui Mālama Pono O Lāna'i, Hawaiian Civic Club of Lāna'i, the Maui / Lāna'i Island Burial Council, Hui Mālama I Nā Kūpuna 'O Hawai'i Nei, and the Office of Hawaiian Affairs. Representatives of any Native Hawaiian organization which believes itself to be culturally affiliated with these human remains should contact Janet Ness, Registrar, Bernice Pauahi Bishop Museum, 1525 Bernice Street, Honolulu, Hawai'i, 96817-0916, 808-848-4105, before January 3, 1997. Repatriation of the human remains to representatives of Hui Mālama I Nā Kūpuna 'O Hawai'i Nei, the Office of Hawaiian Affairs and Hui Mālama Pono O Lāna'i may begin after that date if no additional claimants come forward.

Dated: November 22, 1996.

**Notice of Inventory Completion of
Native American Human Remains and
Associated Funerary Objects From the
Island of Kaua'i in the Possession of
the Bernice Pauahi Bishop Museum,
Honolulu, HI**

AGENCY: National Park Service, Interior,

ACTION: Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003 (d), of the completion of the inventory of human remains and associated funerary objects from the Island of Kaua'i by the Bernice Pauahi Bishop Museum Honolulu, HI.

A detailed inventory and assessment of these human remains and associated funerary objects has been made by Bishop Museum's professional staff and representatives of Kaua'i / Ni'ihau Island Burial Council, Hui Mālama I Nā Kūpuna 'O Hawai'i Nei, and the Office of Hawaiian Affairs. Mr. Edward Ka'iwi and Ms. Aletha Kaohi, of Kaua'i were also consulted.

In 1967, Captain Robert W. Rynd, U.S. Navy, donated the incomplete remains of two adults and one sub-adult, along with one burial kapa, to the museum. All of the human remains and associated funerary objects are believed to have come from Kauhao Valley, Waimea, on the Island of Kaua'i. No known individuals were identified. No attempt was made to determine age of these human remains upon the request of the above mentioned Native Hawaiian organizations. The geographic location of the human remains, type of associated funerary object, and method of burial preparation are typical of Native Hawaiian burials.

Based on the above information, officials of the Bishop Museum have determined, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of three individuals of Native American ancestry. Officials of Bishop Museum have also determined that, pursuant to 25 U.S.C. 3001 (3)(A), the object listed above is reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony. Lastly, officials of the Bishop Museum have determined, pursuant to 25 U.S.C. 3001 (2), that there is a relationship of shared group identity which can be reasonably traced between these remains and present-day members of Hui Mālama I Nā Kūpuna 'O Hawai'i Nei, Office of Hawaiian Affairs, and Kaua'i/Ni'ihau Island Burial Council.

This notice has been sent to the Kaua'i / Ni'ihau Island Burial Council, Hui Mālama I Nā Kūpuna 'O Hawai'i Nei, the Office of Hawaiian Affairs, Edward Ka'iwi and Aletha Kaohi.
