The Olga Company Division of Warnaco, Inc., Fillmore, California; The Olga Company Division of Warnaco, Inc., Santa Paula, California; The Olga Company Division of Warnaco, Inc., City of Commerce, California; Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) as amended by the Omnibus Trade and Competitiveness Act of 1988 (P.L. 100-418), the Department of Labor herein presents the results of an investigation regarding certification of eligibility to apply for worker adjustment assistance.

In order to make an affirmative determination and issue a certification of eligibility to apply for adjustment assistance each of the group eligibility requirements of Section 222 of the Act must be met. It is determined in this case that all of the requirements have been met.

The investigation was initiated in response to a petition received on September 9, 1996, and filed on behalf of workers at The Olga Company, Division of Warnaco, Inc., Fillmore, Santa Paula, and City of Commerce, California. The workers produce women's intimate apparel.

Workers at the subject plants were certified eligible for NAFTA Transitional Adjustment benefits on August 14, 1996 (NAFTA-01155A and 01155B).

Warnaco, Inc., is transferring sewing and finishing work at the subject facilities to locations abroad. Apparel formerly sewn and finished at the subject plants is being imported from the foreign plants into the United States.

Conclusion

After careful review of the facts obtained in the investigation, I conclude that increases of imports of articles like or directly competitive with women's intimate apparel produced at The Olga Company, Division of Warnaco, Inc., Fillmore, Santa Paula, and City of

Commerce, California, contributed importantly to the decline in sales or production and to the total or partial separation of workers of that firm. In accordance with the provisions of the Act, I make the following certification:

All workers of The Olga Company, Division of Warnaco, Inc., Fillmore, Santa Paula, and City of Commerce, California, who became totally or partially separated from employment on or after July 16, 1995, through two years from the date of certification, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed in Washington, DC, this 30th day of October, 1996.
