Part A—Preamble

1. Legislative Authority

The Community Services Block Grant Act, as amended, authorizes the Secretary of Health and Human Services to make funds available under several programs to support program activities which will result in direct benefits targeted to low-income people. This Program Announcement covers the grant authority found at Section 681A, Community Food and Nutrition, which authorizes the Secretary to make funds available for grants to be awarded on a competitive basis to eligible entities for local and statewide programs (1) to coordinate existing private and public food assistance resources, whenever such coordination is determined to be inadequate, to better serve low-income communities; (2) to assist low-income communities to identify potential sponsors of child nutrition programs and to initiate new programs in underserved or unserved areas; and (3) to develop innovative approaches at the State and local levels to meet the nutrition needs of low-income people.

2. Definitions of Terms

For purposes of this Program Announcement the following definitions apply:

- Budget Period:** The term “budget period” refers to the interval of time into which a grant period of assistance (project period) is divided for budgetary and funding purposes.
- Displaced worker:** An individual who is in the labor market but has been unemployed for six months or longer.
- Eligible Entity:** States and other public and private non-profit agencies/organizations including Community Action Agencies. (See Part B-1)
- Indian tribe:** A tribe, band, or other organized group of Native American Indians recognized in the State or States in which it resides or considered by the Secretary of the Interior to be an Indian tribe or an Indian organization for any purpose.
- Innovative project:** One that departs from or significantly modifies past program practices and tests a new approach.
- Migrant Farmworker:** An individual who works in agricultural employment of a seasonal or other temporary nature who is required to be absent from his/her place of permanent residence in order to secure such employment.
- Project Period:** The term “project period” refers to the total time for which a project is approved for support, including any approved extensions.
- Seasonal farmworker:** Any individual employed in agricultural work of a seasonal or other temporary nature who is able to remain at his/her place of permanent residence while employed.
- Self-Sufficiency:** A condition where an individual or family does not need and is not eligible for public assistance.
- Underserved area (as it pertains to child nutrition programs):** A locality in which less than one-half of the low-income children eligible for assistance participate in any child nutrition program.

3. Purpose of Community Food and Nutrition Program

The Department of Health and Human Services (DHHS) is committed to improving the overall health and nutritional well-being of individuals through improved preventive health care and promotion of personal responsibility. The DHHS encourages the approach to health promotion and nutritional responsibility with personal messages aimed at families and

communities, in various settings and environments in which individuals and groups can most effectively be reached.

The DHHS is specifically interested in improving the health and nutrition status of low-income persons through improved access to healthy nutritious foods or by other means. DHHS encourages community efforts to improve the coordination and integration of health and social services for all low-income families, and to identify opportunities for collaborating with other programs and services for this population. Such collaboration can increase a community's capacity to leverage resources and promote an integrated approach to health and nutrition through existing programs and services.

4. Project Requirements

Projects funded under this program should:

(a) Be designed and intended to provide nutrition benefits, including those which incorporate the benefits of disease prevention, to a targeted low-income group of people;

(b) Provide outreach and public education to inform eligible low-income individuals and families of other nutritional services available to them under the various Federally assisted programs;

(c) Carry out targeted communications/social marketing to improve dietary behavior and increase program participation among eligible low-income populations. Populations to be targeted can include displaced workers, elderly people, children, and the working poor.

(d) Consult with and/or inform local offices that administer other food programs such as W.I.C. and Food Stamps, where applicable, to ensure effective coordination which can jointly target services to increase their effectiveness. Such consultation may include involving these offices in the planning of grant applications.

(e) Focus on one or more legislatively mandated program activities: (1) Coordination of existing private and public food assistance resources, whenever such coordination is determined to be inadequate, to better serve low-income populations; (2) assistance to low-income communities in identifying potential sponsors of child nutrition programs and initiating new programs in unserved or underserved areas; and (3) development of innovative approaches at the state or local levels to meet the nutrition needs of low-income people.

OCS views this program as a capacity building program, rather than as a service delivery program.

Part B—Application Requirements

1. Eligible Applicants

Eligible applicants are States and public and private non-profit agencies/organizations with a demonstrated ability to successfully develop and implement programs and activities similar to those enumerated above. OCS encourages Historically Black Colleges and Universities and minority institutions to submit applications. Eligible applicants with programs benefitting Native Americans and Migrant Farmworkers are also encouraged to submit applications.

Any non-profit organization submitting an application must submit proof of its non-profit status in its application at the time of submission. The non-profit agency can accomplish this by providing a copy of the applicant's listing in the Internal Revenue Service's (IRS) most recent list of tax-exempt organizations described in Section 501(c)(3) of the IRS tax code or by providing a copy of the currently valid IRS tax exemption certificate or by providing a copy of the applicant's Articles of Incorporation bearing the seal of the State in which the corporation or association is domiciled.

2. Availability of Funds and Grant Amounts

a. Fiscal Year 1997 Funding

The funds expected to be available for grant awards under the CFN Program in fiscal year 1997 are \$1,600,000 for General Projects.

b. Grant Amounts

No individual grant application will be considered for an amount which is in excess of \$50,000.

c. Mobilization of Resources

OCS would like to mobilize as many resources as possible to enhance projects funded under this program. OCS supports and encourages applications submitted by applicants whose programs will leverage other resources, either cash or third-party in-kind.

3. Project Periods and Budget Periods

For most projects OCS will grant funds for one year. However, in rare instances, depending on the characteristics of any individual project and on the justification presented by the applicant in its application, a grant may be made for a period of up to 17 months.

4. Administrative Costs/Indirect Costs

There is no administrative cost limitation for projects funded under this program. Indirect costs consistent with approved Indirect Cost Rate Agreements are allowable. Applicants should enclose a copy of the current approved rate agreement. However, it should be understood that indirect costs are part of, and not in addition to, the amount of funds awarded in the subject grant.

5. Program Beneficiaries

Projects proposed for funding under this Announcement must result in direct benefits targeted toward low-income people as defined in the most recent Annual Update of Poverty Income Guidelines published by DHHS. Attachment A to this Announcement is an excerpt from the most recently published guidelines. Annual revisions of these guidelines are normally published in the **Federal Register** in February or early March of each year and are applicable to projects being implemented at the time of publication. Grantees will be required to apply the most recent guidelines throughout the project period. The **Federal Register** may be obtained from public libraries, Congressional offices, or by writing the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. The **Federal Register** is also available on the Internet through GPO Access at the following web address: http://www.access.gpo.gov/su_docs/aces/aces140.html

No other government agency or privately defined poverty guidelines are applicable to the determination of low-income eligibility for this OCS program.

6. Number of Projects in Application

An application may contain only one project and this project must address the basic criteria found in Parts C and D. Applications which are not in compliance with these requirements will be ineligible for funding.

7. Multiple Submittal

There is no limit to the number of applications that can be submitted as long as each application is for a different project. However, no applicant can receive more than one grant.

8. Sub-Contracting or Delegating Projects

OCS will not fund any project where the role of the eligible applicant is primarily to serve as a conduit for funds to other organizations.

Part C—Program Area*General Projects*

The application should include a description of the target area and population to be served as well as a discussion of the nature and extent of the problem to be solved. The application must contain a detailed and specific work program that is both sound and feasible. Projects funded under this Announcement must produce permanent and measurable results that fulfill the purposes of this program as described above. The OCS grant funds, in combination with private and/or other public resources, must be targeted to low-income individuals and communities.

Applicants will certify in their submission that projects will only serve the low-income population as stipulated in the DHHS Poverty Income Guidelines (Attachment A). Failure to comply with the income guidelines may result in the application being ineligible for consideration for funding.

If an applicant is proposing a project which will affect a property listed in or eligible for inclusion in the National Register of Historic Places, it must identify this property in the narrative and explain how it has complied with the provisions of Section 106 of the National Historic Preservation Act of 1966 as amended. If there is any question as to whether the property is listed in or eligible for inclusion in the National Register of Historic Places, applicant should consult with the State Historic Preservation Officer. The applicant should contact OCS early in the development of its application for instructions regarding compliance with the Act and data required to be submitted to DHHS.

In the case of projects proposed for funding which mobilize or improve the coordination of existing public and private food assistance resources, the guidelines governing those resources apply. However, in the case of projects providing direct assistance to beneficiaries through grants funded under this program, beneficiaries must fall within the official DHHS Poverty Income Guidelines as set forth in Attachment A.

Applications which propose the use of grant funds for the development of any printed or visual materials must contain convincing evidence that these materials are not available from other sources. OCS will not provide funding for such items if justification is not sufficient. Approval of any films or visual presentations proposed by applicants approved for funding will be made part of the grant award. In cases

where material outlays for equipment (audio and visual) are requested, specific evidence must be presented that there is a definite programmatic connection between the equipment (audio and visual) usage and the outreach requirements described in Part A-3 of this Announcement.

OCS is also interested in projects that address the needs of homeless families and welcomes applications which seek to develop innovative approaches to promote health, and nutritional awareness among low-income populations.

Part D—Review Criteria

Applications which pass the initial screening and pre-rating review (See Part F, Section 5) will be assessed and scored by reviewers. Each reviewer will give a numerical score for each application reviewed. These numerical scores will be supported by explanatory statements on a formal rating form describing major strengths and weaknesses under each applicable Criterion published in the Announcement.

The in-depth evaluation and review process will use the following criteria coupled with the specific requirements as described in Part F.

When writing their Project Narrative applicants should respond to the review criteria using the same sequential order.

Note: The following review criteria reiterate the information requirements contained in Part B of this Announcement.

Criteria for Review and Evaluation of Applications Submitted Under This Program Announcement*Criterion I*

Analysis of Needs/Priorities (Maximum: 10 Points)

(a) Target area and population to be served are adequately described (0–4 Points).

In addressing the above Criterion, the applicant should include a description of the target area and population to be served including specific details on any minority population(s) to be served.

(b) Nature and extent of problem(s) and/or need(s) to be addressed are adequately described and documented (0–6 Points).

(0–5 Points).

If the applicant is receiving funds from the State for community food and nutrition activities, the applicant should address how the funds are being utilized, and how they will be coordinated with the proposed project to maximize the effectiveness of both. Applicants must demonstrate their ability to implement sound and effective management practices and if they have been recipients of other Federal or other governmental grants, they must also document that they have consistently complied with financial and program progress reporting and audit requirements. Such documentation may be in the form of references to any available audit or progress reports and should be accompanied by a statement by a Certified or Licensed Public Accountant as to the sufficiency of the applicant's financial management system to protect adequately any Federal funds awarded under the application submitted.

(c) **Staffing Skills, Resources and Responsibilities** (0–5 Points).

The application adequately describes the experience and skills of the proposed project director showing that the individual is not only well qualified, but that his/her professional capabilities are relevant to the successful implementation of the project. If the key staff person has not yet been identified, the application contains a comprehensive position description which indicates that the responsibilities to be assigned to the project director are relevant to the successful implementation of the project. The application must indicate that the applicant has adequate facilities and resources (i.e. space and equipment) to successfully carry out the work plan.

In addressing the above Criterion, the applicant *must clearly show* that sufficient time of the Project Director and other senior staff will be budgeted to assure timely implementation and oversight of the project and that the assigned responsibilities of the staff are appropriate to the tasks identified for the project.

Line 6a

Personnel—Enter the total costs of salaries and wages.

Justification—Identify the project director. Specify by title or name the percentage of time allocated to the project, the individual annual salaries and the cost to the project (both Federal and non-Federal) of the organization's staff who will be working on the project.

Line 6d

Equipment—Enter the total costs of all equipment to be acquired by the project. *Equipment* means an article of nonexpendable, tangible personal property having a useful life of more than one year and an acquisition cost which equals or exceeds the lesser of (a) the capitalization level established by the organization for financial statement purposes, or (b) \$5,000.

[**Note:** If an applicant's current rate agreement was based on another definition for equipment, such as "tangible personal property \$500 or more", the applicant shall use the definition used by the cognizant agency in determining the rate(s). However, consistent with the applicant's equipment policy, lower limits may be set.]

Justification—Equipment to be purchased with Federal funds must be required to conduct the project, and the applicant organization or its subgrantees must not already have the equipment or a reasonable facsimile available to the project.

Line 6e

Supplies—Enter the total costs of all tangible personal property (surplus) other than that included on line 6d.

Line 6f

Also provide back-up documentation identifying the name of contractor, purpose of contract, and major cost elements.

Note: Whenever the applicant/grantee intends to delegate part of the program to another agency, the applicant/grantee must submit Sections A and B of this Form SF-424A, completed for each delegate agency by agency title, along with the required supporting information referenced in the applicable instructions. The total costs of all such agencies will be part of the amount shown on Line 6f. Provide draft Request for Proposal in accordance with 45 CFR Part 74, Appendix A. All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition.

It should be noted that when an indirect cost rate is requested, those costs included in the indirect cost pool cannot be also budgeted or charged as direct costs to the grant. Indirect costs consistent with approved Indirect Cost Rate Agreements are allowable.

Line 6k

Totals—Enter the total amount of Lines 6i and 6j.

Line 7

Program Income—Enter the estimated amount of income, if any, expected to be generated from this project. Show the nature and source of income in the program narrative statement.

Justification—Describe the nature, source and anticipated use of program income in the Program Narrative Statement.

Section C—Non-Federal Resources

This section is to record the amounts of *Non-Federal* resources that will be used to support the project. *Non-Federal* resources mean other than OCS funds for which the applicant has received a commitment. Provide a brief explanation, on a separate sheet, showing the type of contribution, broken out by Object Class Category, (See SF-424A, Section B.6) and whether it is cash or third-party in-kind. The firm commitment of these required funds must be documented and submitted with the application in order to be given credit in the Criterion.

Except in unusual situations, this documentation must be in the form of letters of commitment or letters of intent from the organization(s)/individuals from which funds will be received.

Justification—Describe third party in-kind contributions, if included.

Section D—Forecasted Cash Needs

Line 13

Federal—Enter the amount of Federal (OCS) cash needed for this grant, by quarter, during the 12 month budget period.

Line 14

3. SF-424B—Assurances Non-Construction Programs (Attachment B-3)

All applicants must sign and return the "Assurances" with the application.

4. Project Narrative

Each narrative should include the following major sections:

- Analysis of Need.
- Project Design (Work Program).

c. Organizational Experience in the Program Area.

d. Management History.

e. Staffing and Resources.

f. Staff Responsibilities.

The project narrative must address the specific purposes mentioned in Part A of this Program Announcement. The narrative should provide information on how the application meets the evaluation criteria in Part D of this Program Announcement.

Part F—Application Procedures

1. Availability of Forms

Applications for awards under this OCS program must be submitted on Standard Forms (SF) 424, 424A, and 424B. Part E and the Attachments to this Program Announcement contain all the instructions and forms required for submittal of applications. The forms may be reproduced for use in submitting applications.

A copy of the **Federal Register** containing this Announcement is available for reproduction at most local libraries and Congressional District Offices. It is also available on the Internet through *GPO Access* at the following web address: http://www.access.gpo.gov/su_docs/aces/aces140.html If this Program Announcement is not available at these sources it may be obtained by telephoning the office listed in the section entitled **FOR FURTHER INFORMATION CONTACT** at the beginning of this Announcement.

The information requested under this Program Announcement is covered under the following OMB information collection clearances: SF-424 (No. 0348-0043), SF-424A (No. 0348-0044), SF-424B (No. 0348-0040), and other requirements for OCS applications (No. 0970-0062).

2. Application Submission

Applications, once submitted, are considered final and no additional materials will be accepted.

Applicants *must* submit one signed original application and four copies.

3. Intergovernmental Review

This program is covered under Executive Order 12372, "Intergovernmental Review of Federal Programs," and 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Program and Activities." Under the Order, States may design their own processes for reviewing and commenting on proposed Federal assistance under covered programs.

As of September, 1996, the following jurisdictions have elected not to

participate in the Executive Order process. Applicants from these jurisdictions or for projects administered by Federally-recognized Indian Tribes need take no action in regard to E.O. 12372:

Alabama
Alaska
Colorado
Connecticut
Hawaii
Idaho
Kansas
Louisiana
Massachusetts
Minnesota
Montana
Nebraska
New Jersey
Oklahoma
Oregon
Pennsylvania
South Dakota
Tennessee
Vermont
Virginia
Washington
American Samoa
Palau

All remaining jurisdictions participate in the Executive Order process and have established Single Points of Contact (SPOCs). Applicants from participating jurisdictions should contact their SPOCs as soon as possible to alert them of the prospective applications and receive instructions. Applicants must submit any required material to the SPOCs as soon as possible so that the program office can obtain and review SPOC comments as part of the award process. The applicant must submit all required materials, if any, to the SPOC and indicate the date of this submittal (or the date of contact if no submittal is required) on the Standard Form 424, item 16a.

Under 45 CFR 100.8(a)(2), a SPOC has 60 days from the application deadline to comment on the proposed new award.

The SPOCs are encouraged to eliminate the submission of routine endorsements as official recommendations.

Additionally, SPOCs are requested to clearly differentiate between mere advisory comments and those official State process recommendations which may trigger the "accommodate or explain" rule.

When comments are submitted directly to ACF, they should be addressed to: Department of Health and Human Services, Administration for Children and Families, Division of Discretionary Grants, 370 L'Enfant Promenade, S.W., Mail Stop 6C-462, Washington, D.C. 20447

A list of the Single Points of Contact for each State and Territory is included as Attachment G of this Announcement.

4. Application Consideration

Applications which meet the screening requirements in Section 5 below will be reviewed competitively. Such applications will be referred to reviewers for a numerical score and explanatory comments based solely on responsiveness to program guidelines and evaluation criteria published in this Announcement. Applications will be reviewed by persons outside of the OCS unit which would be directly responsible for programmatic management of the grant. The results of these reviews will assist the Director and OCS program staff in considering competing applications. Reviewers' scores will weigh heavily in funding decisions but will not be the only factors considered. Applications will generally be considered in order of the average scores assigned by reviewers. However, highly ranked applications are not guaranteed funding since the Director may also consider other factors deemed relevant including, but not limited to, the timely and proper completion of projects funded with OCS funds granted in the last five (5) years; comments of reviewers and government officials; staff evaluation and input; geographic distribution; previous program performance of applicant; compliance with grant terms under previous DHHS grants; audit reports; investigative reports; and applicant's progress in resolving any final audit disallowances on OCS or other Federal agency grants. OCS reserves the right to discuss applications with other Federal or non-Federal funding sources to ascertain the applicant's performance record.

5. Criteria for Screening Applications

a. *Initial Screening*—All applications that meet the application deadline will be screened to determine completeness and conformity to the requirements of this Announcement. Only those applications meeting the below listed requirements will be reviewed and evaluated competitively. Others will be returned to the applicants with a notation that they were unacceptable.

(1) The application must contain a completed and signed Standard Form SF-424.

(2) The SF-424 must be signed by an official of the organization applying for the grant who has authority to obligate the organization legally.

b. *Pre-Rating Review*—Applications which pass the initial screening will be forwarded to reviewers for analytical

comment and scoring based on the criteria detailed in the Section below and the specific requirements contained in Part A of this Announcement. Prior to the programmatic review, these reviewers and/or OCS staff will verify that the applications comply with this Program Announcement in the following areas:

(1) *Eligibility*—Applicant meets the eligibility requirements found in Part B.

(2) *Number of Projects*—The application contains only one project.

(3) *Target Populations*—The application clearly targets the specific outcomes and benefits of the project to low-income participants and beneficiaries as defined in the DHHS Poverty Income Guidelines (Attachment A).

(4) *Grant Amount*—The amount of funds requested does not exceed \$50,000.

(5) *Program Focus*—The application addresses the purposes described in Part A of this Announcement.

c. *Evaluation Criteria*—Applications which pass the initial screening and pre-rating review will be assessed and scored by reviewers. Each reviewer will give a numerical score for each application reviewed. These numerical scores will be supported by explanatory statements on a formal rating form describing major strengths and major weaknesses under each applicable Criterion published in this Announcement.

Part G—Contents of Application Package and Receipt Process

1. Contents of Application

Each application submission must include a signed original and four additional copies of the application. Each copy of the application must contain, in the order listed, each of the following:

a. *Table of Contents* with page numbers noted for each major section and subsection of the application, including the appendices. Each page in the application, including those in all appendices, must be numbered consecutively.

b. *A Project Abstract* which is a succinct description of the project in 200 words or less.

c. *The SF-424 (Application for Federal Assistance)* should be completed in accordance with instructions provided with the form, as well as OCS specific instructions set forth in Part E of this Announcement. The SF-424 must contain an original signature of the certifying representative of the applicant organization. Applicants must also be aware that the

applicant's legal name (Item 5) *must match* the Employer Identification Number (Item 6).

d. *SF-424A (Budget Information)* must be completed.

e. *SF-424B (Assurances—Non-Construction Programs)* must be filed by applicants requesting financial assistance for a non-construction project. Applicants must sign and return the SF-424B with their applications.

f. *Restriction on Lobbying Activities* Applicants must provide a certification concerning lobbying. Prior to receiving an award in excess of \$100,000, applicants shall furnish an executed copy of the lobbying certification. Applicants must sign and return the certification with their applications.

g. *Disclosure of Lobbying Activities (SF-LLL)* Fill-in, sign and date form found at Attachment F, (required only if lobbying has actually taken place or is expected to take place in trying to obtain the grant for which the applicant is applying.)

h. *Project Narrative* (See Part E, Section 4)

i. *Certification Regarding Drug-Free Workplace Requirements (Attachment C)* Applicants must make the appropriate certification of their compliance with the Drug-Free Workplace Act of 1988. By signing and submitting the applications, applicants are providing the certification and need not mail back the certification with the applications.

j. *Certification Regarding Debarment, Suspension, Etc. (Attachment D)* Applicants must make the appropriate certification that they are not presently debarred, suspended or otherwise ineligible for award. By signing and submitting the applications, applicants are providing the certification and need not mail back the certification with the applications.

k. *Certification Regarding Environmental Tobacco Smoke (Attachment E)* Applicants must make the appropriate certification of their compliance with the Pro-Children Act of 1944. By signing and submitting the applications, applicants are providing the certification and need not mail back the certification with the applications.

The total number of pages for the narrative portion of the application package must not exceed 30 pages in their entirety. Applications must be uniform in composition since OCS may find it necessary to duplicate them for review purposes. Therefore, applications must be submitted on 8½ 11-inch paper only. They must not include colored, oversized or folded

materials, organizational brochures, or other promotional materials, slides, films, clips, etc. Such materials will be discarded if included.

Applications should be two-holed punched at the top center and fastened separately with a compressor slide paper fastener or a binder clip.

While applications must be comprehensive, OCS encourages conciseness and brevity in the presentation of materials and cautions the applicant to avoid unnecessary duplication of information.

2. Acknowledgement of Receipt

An acknowledgement will be mailed to all applicants with an identification number which will be noted on the acknowledgement. This number must be referred to in all subsequent communications with OCS concerning the application. If an acknowledgment is not received within three weeks after the application deadline, applicants must notify ACF by telephone (202) 401-9365. Applicant should also submit a mailing label for the acknowledgement.

Part H—Post Award Information and Reporting Requirements

Following approval of the applications selected for funding, notice of project approval and authority to draw down project funds will be made in writing. The official award document is the Financial Assistance Award which provides the amount of Federal funds approved for use in the project, the budget period for which support is provided, and the terms and conditions of the award.

In addition to the General Conditions and Special Conditions (where the latter are warranted) which will be applicable to grants, grantees will be subject to the provisions of 45 CFR Parts 74 (non-governmental) and 92 (governmental) along with Circulars 122 (non-governmental) and 87 (governmental).

Grantees will be required to submit semi-annual progress and financial reports (SF-269) as well as a final progress and financial report.

Grantees are subject to the audit requirements in 45 CFR Parts 74 and 92.

Section 319 of Public Law 101-121, signed into law on October 23, 1989, imposes new prohibitions and requirements for disclosure and certification related to lobbying when applicant has engaged in lobbying activities or is expected to lobby in trying to obtain the grant. It provides limited exemptions for Indian tribes and tribal organizations. Current and prospective recipients (and their subtier

contractors and/or grantees) are prohibited from using appropriated funds for lobbying Congress or any Federal agency in connection with the award of a contract, grant, cooperative agreement or loan. In addition, for each award action in excess of \$100,000 (or \$150,000 for loans) the law requires recipients and their subtier contractors and/or subgrantees (1) to certify that they have neither used nor will use any appropriated funds for payment to lobbyists, (2) to submit a declaration setting forth whether payments to lobbyists have been or will be made out of non-appropriated funds and, if so, the name, address, payment details, and purpose of any agreements with such lobbyists whom recipients or their subtier contractors or subgrantees will pay with the *nonappropriated* funds and (3) to file quarterly up-dates about the use of lobbyists if any event occurs that materially affects the accuracy of the information submitted by way of declaration and certification. The law establishes civil penalties for noncompliance and is effective with respect to contracts, grants, cooperative agreements and loans entered into or made on or after December 23, 1989. See Attachment F for certification and disclosure forms to be submitted with the applications for this program.

Attachment H indicates the regulations which apply to all applicants/grantees under the Discretionary Grants Program.

Dated: March 17, 1997.

Director, Office of Community Services.

Instructions for the SF 424A

Public reporting burden for this collection of information is estimated to average 180 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0043), Washington, DC 20503.

Please do not return your completed form to the Office of Management and Budget, send it to the address provided by the sponsoring agency.

General Instructions

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when applying for assistance which requires Federal authorization in annual or other funding period increments. In the latter case, Sections A, B, C, and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a-k of Section B.

Section A. Budget Summary

Lines 1-4, Columns (a) and (b)

For applications pertaining to a *single* Federal grant program (Federal Domestic Assistance Catalog number) and not requiring a functional or activity breakdown, enter on Line 1 under Column (a) the catalog program title and the catalog number in Column (b).

For applications pertaining to a *single* program requiring budget amounts by multiple function or activities, enter the name of each activity or function on each line in Column (a), and enter the catalog number in Column (b). For applications pertaining to multiple programs where none of the programs require a breakdown by function or activity, enter the catalog program title on each line in Column (a) and the respective catalog number of each line in Column (b).

For applications pertaining to multiple programs where one or more programs require a breakdown by function or activity, prepare a separate sheet for each program requiring the breakdown. Additional sheets should be used when one form does not provide adequate space for all breakdown of data required. However, when more than one sheet is used, the first page should provide the summary totals by programs.

Lines 1-4, Columns (c) through (g)

For new applications, leave Columns (c) and (d) blank. For each line entry in Columns (a) and (b), enter in Columns (e), (f), and (g) the appropriate amounts of funds needed to support the project for the first funding period (usually a year).

For continuing grant program applications, submit these forms before the end of each funding period as required by the grantor agency. Enter in Columns (c) and (d) the estimated amounts of funds which will remain unobligated at the end of the grant funding period only if the Federal grantor agency instructions provide for this.

Otherwise, leave these columns blank. Enter in Columns (e) and (f) the amounts of funds needed for the upcoming period. The amount(s) in Column (g) should be the sum of amounts in Columns (e) and (f).

For supplemental grants and changes to existing grants, do not use Columns (c) and (d). Enter in Column (e) the amount of the increase or decrease of Federal funds and enter in Column (f) the amount of the increase or decrease of non-Federal funds. In Column (g) enter the new total budgeted amount (Federal and non-Federal) which includes the total previous authorized budgeted amounts plus or minus, as appropriate, the amounts shown in Columns (e) and (f). The amount(s) in Column (g) should not equal the sum of amounts in Columns (e) and (f).

Line 5—Show the total for all columns used.

When additional sheets are prepared for Section A, provide similar column headings on each sheet. For each program, function or activity, fill in the total requirements for funds (both Federal and non-Federal) by object class categories.

Lines 6a-i—Show the totals of Lines 6a to 6h in each column.

Line 6j—Show the amount of indirect cost.

Line 6k—Enter the total of amounts on Lines 6i and 6j. For all applications for new grants and continuation grants the total amount in column (5), Line 6k, should be the same as the total amount shown in Section A, Column (g), Line 5. For supplemental grants and changes to grants, the total amount of the increase or decrease as shown in Columns (1)-(4), Line 6k, should be the same as the sum of the amounts in Section A, Columns (e) and (f) on Line 5.

Line 7—Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount. Show under the program narrative statement the nature and source of income. The estimated amount of program income may be considered by the federal grantor agency in determining the total amount of the grant.

Section C. Non-Federal Resources

Lines 8-11 Enter amounts of non-Federal resources that will be used on the grant. If in-kind contributions are included, provide a brief explanation on a separate sheet.

Attachment C

U.S. Department of Health and Human Services
Certification Regarding Drug-Free Workplace Requirements
Grantees Other Than Individuals

By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

This certification is required by regulations implementing the Drug-Free Workplace Act of 1988, 45 CFR Part 76, Subpart F. The regulations, published in the May 25, 1990 Federal Register, require certification by grantees that they will maintain a drug-free workplace. The certification set out below is a material representation of fact upon which reliance will be placed when the Department of Health and Human Services (HHS) determines to award the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HHS, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or governmentwide suspension or debarment.

Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios.)

If the workplace identified to HHS changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see above).

Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 USC 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15).

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about:

(1) The dangers of drug abuse in the workplace; (2) The grantee's policy of maintaining a drug-free workplace; (3) Any available drug counseling, rehabilitation, and employee assistance programs; and, (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

(1) Abide by the terms of the statement; and, (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or, (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant (use attachments, if needed):

Place of Performance (Street address, City, County, State, ZIP Code) _____

Check ☐ if there are workplaces on file that are not identified here.

Sections 76.630(c) and (d)(2) and 76.635(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central receipt point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, S.W., Washington, D.C. 20201.

BILLING CODE 4184-01-M

Federal Allotments to State Developmental Disabilities Councils (DDCs) and Protection and Advocacy (P&A) Formula Grant Programs for Fiscal Year 1998

AGENCY: Administration on Developmental Disabilities, Administration for Children and Families, Department of Health and Human Services.

ACTION: Notification of fiscal year 1998 federal allotments to State developmental disabilities councils and protection and advocacy formula grant programs.

SUMMARY: This notice sets forth Fiscal Year 1998 individual allotments and percentages to States administering the State Developmental Disabilities Councils and Protection and Advocacy programs, pursuant to Section 125 and Section 142 of the Developmental Disabilities Assistance and Bill of Rights Act (Act). The allotment amounts are based on the 1998 Budget Request and are contingent upon Congressional appropriations for Fiscal Year 1998. If Congress enacts and the President approves a different appropriation amount, the allotments will be adjusted accordingly.

EFFECTIVE DATE: October 1, 1997.

FOR FURTHER INFORMATION CONTACT: Joanne Moore, Grants Fiscal Management Specialist, Family Support Branch, Division of Formula, Entitlement, and Block Grants, Office of Program Support, Administration for Children and Families, Department of Health and Human Services, 370 L'Enfant Promenade S.W., Washington, D.C. 20447, Telephone (202) 205-4792.

SUPPLEMENTARY INFORMATION: Section 125(a)(2) of the Act requires that adjustments in the amounts of State allotments may be made not more often than annually and that States are to be notified not less than six (6) months before the beginning of any fiscal year of any adjustments to take effect in that fiscal year. It should be noted that, as required by the Compact of Free Association, Palau's allotment has been adjusted to twenty-five percent of its Fiscal Year 1995 allotment. Also, in relation to the State DDC allotments, the description of service needs were reviewed in the State plans and are consistent with the results obtained from the data elements and projected formula amounts for each State (Section 125(a)(5)).

The Administration on Developmental Disabilities has updated the data elements for issuance of Fiscal Year 1998 allotments for the Developmental Disabilities formula grant programs. The data elements used in the update are:

A. The number of beneficiaries in each State and Territory under the Childhood Disabilities Beneficiary Program, December 1995, are from Table 5.J10 of the "Social Security Bulletin: Annual Statistical Supplement 1996" issued by the Social Security Administration. The numbers for the Northern Mariana Islands and the Republic of Palau, were obtained from the Social Security Administration;

B. State data on Average Per Capita Income, 1991-95, are from Table 4 of the "Survey of Current Business," September 1996, issued by the Bureau of Economic Analysis, U.S. Department of Commerce; comparable data for the Territories also were obtained from that Bureau; and

C. State data on Total Population and Working Population (ages 18-64) as of July 1, 1995, are from the "Estimates of Resident Population of the U.S. by Selected Age Groups and Sex, CB96-88," issued by the Bureau of the Census, U.S. Department of Commerce. Estimates for the Territories are no longer available, therefore, the Territories population data are from the 1990 Census Population Counts. The Territories' working populations were issued in the Bureau of Census report, "General Characteristics Report: 1980," which is the most recent data available from the Bureau.
