BILLING CODE 6050-28-P

DEPARTMENT OF DEFENSE

Office of the Secretary

Submission for OMB Review; Comment Request

AGENCY: United States Air Force,
Department of Defense.

ACTION: Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title and associated forms:

Department of Defense/United States Air Force USAF Military Aircraft Overflight Study.

Type of Request: New collection.

Number of Respondents: 1,500.

Responses Per Respondent: 1.

Annual Responses: 1,500.

Average Burden Per Response: 10 minutes.

Annual Burden Hours: 250.

Needs and Uses: This collection of information is necessary to obtain acoustical noise data and visitor survey data, to estimate a dose-response relationship between sounds from military aircraft overflights and effects (reactions) on visitors to National Park Service (NPS) areas. Concurrent with the on-site interviews, sound recordings of the exposure to aircraft overflights will be taken to determine the "noise dose" experience by each visitor. A minimum of 300 visitors and a maximum of 500 visitors will be surveyed at each of three potential sites over a period of 4-5 days at each site. This study builds upon research conducted by the NPS to examine the dose-response relationship between sightseeing aircraft overflights and NPS visitor reactions. Because of the different characteristics of sounds from military aircraft, the dose-response relationship for military aircraft overflights may be quite different from the relationship developed for sightseeing aircraft.

Affected Public: Individuals or households.

Frequency: One time.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Mr. Edward C.

Springer.

Written comments and recommendations on the proposed

information collection should be sent to Mr. Springer at the Office of Management and Budget, Desk Officer for DoD, Room 10236, New Executive Office Building, Washington, DC 20503.

DOD Clearance Officer: Mr. Robert Cushing.

Written requests for copies of the information collection proposal should be sent to Mr. Cushing, WHS/DIOR, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302.

Dated: March 18, 1997.

Patricia L. Toppings,

Alternate OSD Federal Register Liaison Officer, Department of Defense.
