BILLING CODE 4510-30-M

[NAFTA-001443]

Allied Signal Inc., Truck Brake Systems Co., Charlotte, North Carolina, Certification Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

Pursuant to Title V of the North American Free Trade Agreement Implementation Act (Pub. L. 103-182) concerning transitional adjustment assistance, hereinafter called NAFTA-TAA and in accordance with section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2331), the Department of Labor herein presents the results of an investigation regarding certification of eligibility to apply for NAFTA-TAA.

In order to make an affirmative determination and issue a certification of eligibility to apply for NAFTA-TAA, the group eligibility requirements in either paragraph (a)(1)(A) or (a)(1)(B) of Section 250 of the Trade Act must be met. It is determined in this case that the requirements of (a)(1)(B) of Section 250 have been met—a shift in production from the workers' firm to Mexico or Canada of articles like or directly competitive with those produced by the subject firm.

The investigation was initiated on January 21, 1997 in response to a petition filed by International Union of

United Automobile, Aerospace and Agricultural Implement Workers of America (UAW), Local 2081, on behalf of workers at Allied Signal Inc., Truck Brake Systems Company, Charlotte, North Carolina. Workers are engaged in the production of truck brake products. Investigation findings revealed that a shift in production of truck brake products to Acuna, Mexico has occurred and is continuing.

Conclusion

After careful review of the facts obtained in the investigation, I conclude that there was a shift in production from the workers' firm to Mexico of articles that are like or directly competitive with those produced by the subject firm. In accordance with the provisions of the Trade Act, I make the following certification:

All workers at Allied Signal, Truck Brake Systems Company, Charlotte, North Carolina who became totally or partially separated from employment on or after January 21, 1996 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, DC, this 28th day of February, 1997.

Russell T. Kile,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

The purpose of the Governor's actions and the Labor Department's investigations are to determine whether the workers separated from employment of after December 8, 1993 (date of enactment of Pub. L. 103-182) are eligible to apply for NAFTA-TAA under Subchapter D of the Trade Act because of increased imports from or the shift in production to Mexico or Canada.
