**SUPPLEMENTARY INFORMATION:**

*OMB Approval Number:* 3060-0582.  
*Title:* 47 CFR 76.1302 Adjudicatory proceedings.

*Type of Review:* Extension of existing collection.

*Respondents:* Business or other for-profit.

*Number of Respondents:* 36. We estimate there is 12 complaint proceedings initiated per year. Each complaint proceeding has two respondents; a petitioning party and an opposing party. In addition to these respondents, there are also an estimated 12 respondents that underwent the notification requirement and then were able to resolve their dispute without initiating a complaint proceeding. 12 complaints proceedings  $\times$  2 respondents each + 12 respondents that only undergo the notification requirement = 36 respondents.

*Estimated Time Per Response:* 1-20 hours. We estimate the average burden for completing the notification requirement to be 4 hours. We estimate the total burden for each party in undergoing all aspects of the complaint proceeding to be 20 hours. We estimate that 50% of entities will choose to use outside counsel for the complaint proceeding and will undergo a burden of 4 hours to coordinate information with outside counsel.

*Total Annual Burden:* 384 hours. 24 respondents will undergo the notification requirement  $\times$  4 hours = 96 hours. This will result in 12 complaint proceedings, each with 2 respondents.

12 (50%) of the respondents will undergo a burden of 20 hours for all aspects of the complaint proceeding. 12  $\times$  20 hours = 240 hours. The remaining 12 (50%) respondents will use outside counsel for the complaint proceeding  $\times$  4 hours = 48 hours. 96 + 240 + 48 = 384.

*Cost to Respondents:* For the complaint proceeding, 12 respondents will use outside counsel at \$150 per hour. 12  $\times$  20 hours  $\times$  \$150 = \$36,000.

*Needs and Uses:* 47 CFR 76.1302 provides that any aggrieved video programming vendor intending to file a carriage agreement complaint must first notify the potential defendant multichannel video programming distributor that it intends to file such a complaint with the Commission. If the parties cannot resolve the dispute, the complainant may file a complaint with the Commission. The data will be used by Commission staff to resolve disputes alleging a violation of the Commission's carriage agreement regulations. These regulations will prevent multichannel programming distributors from entering into carriage agreements with video programming vendors that are conditioned on concessions of various rights, including financial interests or exclusivity.

*OMB Approval Number:* 3060-0339.  
*Title:* 47 CFR 78.11 Permissible service.

*Type of Review:* Extension of existing collection.

*Respondents:* Business or other for-profit.

*Number of Respondents:* 2,200.

*Estimated Time Per Response:* We estimate that the 2,200 current CARS licensees will undergo an average recordkeeping burden of .5 hours complying with the requirements contained in 47 CFR 78.11(d)(2). 2,200  $\times$  .5 = 1,100 hours. We estimate that 100 CARS licensees will make notifications with an average burden of .5 hours in complying with the requirements contained in 47 CFR 78.11(e).

100  $\times$  .5 = 50 hours.

*Total Annual Burden:* 1,150 hours. (1,100 + 50).

*Cost to Respondents:* \$4,500. (\$2 per respondent for photocopying and administrative expenses associated with recordkeeping. 2,200  $\times$  \$2 = \$4,400. \$1 per respondent for postage and/or telephone charges associated with the notification requirements. 100  $\times$  \$1 = \$100.)

*Needs and Uses:* 47 CFR 78.11(d)(2) requires Cable Television Relay Service (CARS) licensees supplying program material to cable television systems, other eligible systems (i.e., multipoint distribution service and multichannel

multipoint distribution service) or television translator stations to keep records showing its non-profit, cost-sharing nature. 47 CFR 78.11(e) requires that a CARS pickup station providing temporary CARS studio-to-headend links or CARS circuits must obtain prior Commission authority, at least one day prior, if the transmitting antenna to be installed will increase the height of any natural formation or manmade structure more than 20 feet and will be in existence for a period of more than two consecutive days and provided further that if transmitting equipment is to be operated for more than 1 day outside of the area to which a CARS station has been licensed, the Commission, the engineer in charge of the district in which the station is licensed to operate, and the engineer in charge of the district in which the equipment will be temporarily operated shall be notified at least 1 day prior to such operation. If the decision to continue operation for more than 1 day is not made until the operation has begun, notice shall be given to the Commission and the relevant engineers in charge within 1 day after such decision. In all instances, the Commission and the relevant engineers in charge shall be notified when the transmitting equipment has been returned to its licensed area.

The records are used by FCC staff in field investigations to ensure that contributions to capital and operating expenses are accepted only on a cost-sharing, nonprofit basis. The notifications will be used by FCC staff to provide information regarding alleged interference.

[No. 96-N-8]

### Notice of Federal Home Loan Bank Members Selected for Community Support Review

**AGENCY:** Federal Housing Finance Board.

**ACTION:** Notice.

**SUMMARY:** The Financial Institutions Reform, Recovery, and Enforcement Act of 1989 added a new Section 10(g) to the Federal Home Loan Bank Act of 1932 requiring that members of the Federal Home Loan Bank (FHLBank) System meet standards for community investment or service in order to maintain continued access to long-term FHLBank System advances. In compliance with this statutory change, the Federal Housing Finance Board (Housing Finance Board) promulgated Community Support regulations (12 CFR Part 936). Under the review process established in the regulations, the Housing Finance Board will select a certain number of members for review each quarter, so that all members that are subject to the Community Reinvestment Act of 1977, 12 U.S.C. 2901 *et seq.*, (CRA), will be reviewed once every two years. The purpose of this Notice is to announce the names of

the members selected for the fourth quarter review (1996-97 cycle) under the regulations. The Notice also conveys the dates by which members need to comply with the Community Support regulation review requirements and by which comments from the public must be received.

**DATES:** *Due Date For Member Community Support Statements for Members Selected in Fourth Quarter Review:* February 27, 1997.

*Due Date For Public Comments on Members Selected in Fourth Quarter Review:* February 27, 1997.

#### SUPPLEMENTARY INFORMATION:

A. Selection for Community Support Review

The Housing Finance Board currently reviews all FHLBank System members that are subject to CRA approximately once every two years. Approximately one-eighth of the FHLBank members in each district will be selected for review by the Housing Finance Board each calendar quarter. To date, only members that are subject to CRA have been reviewed. In selecting members, the Housing Finance Board follows the chronological sequence of the members' CRA Evaluations post-July 1, 1990, to the greatest extent practicable, selecting one-eighth of each District's membership for review each calendar quarter. However, the Housing Finance Board will postpone review of new members until they have been System members for one year.

Selection for review is not, nor should it be construed as, any indication of either the financial condition or Community Support performance of the institutions listed.
