## GENERAL SERVICES ADMINISTRATION

### Notice of Public Meeting and Intent To Prepare an Environmental Impact Statement

**AGENCY:** General Services Administration, National Capital Region Patent and Trademark Office.

**ACTION:** Proposed construction and operation of a consolidated Patent and Trademark Office in northern Virginia.

**SUMMARY:** The General Services Administration and the Patent and Trademark Office announce their intent to prepare an Environmental Impact Statement (EIS) for the proposed new consolidated Patent and Trademark Office in northern Virginia and to conduct two public meetings to discuss the proposal pursuant to Section 102(2)(C) of the National Environmental Policy Act (NEPA) of 1969, as implemented by the Council of Environmental Quality regulations (40 CFR Parts 1500-1508), Section 106 of the National Historic Preservation Act of 1966, as amended, and in accordance with the Environmental Policies and Procedures implemented by General Services Administration.

This Notice of Intent (NOI) initiates the formal environmental review/scoping process for this project. A comprehensive Environmental Impact Statement (EIS) is considered to be the appropriate environmental document for this project and it is expected that completion of an EIS will discharge all obligations under Federal environmental laws. Two public meetings will be held to determine the significant issues related to the construction and operation of the new consolidated Patent and Trademark Office. One will be held in Arlington County and one will be held in the City of Alexandria, Virginia. The meetings will serve as part of the formal environmental review/scoping process for the preparation of the EIS that is required for this project. The public is encouraged to submit written comments on the potential impacts of the proposed Patent and Trademark Office buildings at the alternative sites under consideration. The comments and

responses received on the alternatives and potential impacts, as a result of this NOI, will be considered for the environmental document. The public is encouraged to provide additional comments once the Draft EIS is released. The General Services Administration anticipates that release date to be January 1998.

The proposed consolidated Patent and Trademark Office (PTO) will include approximately 2 million square feet in up to eight buildings and will require between 3,500 to 7,000 parking spaces. It is proposed to be located in northern Virginia in either Arlington County or the City of Alexandria and is scheduled to be gully occupied by the year 2004. The EIS will analyze the environmental impacts and mitigation options associated with five alternatives for the construction and operation of the proposed PTO. At present those alternatives may include: (1) construction of the PTO in Arlington at Crystal City between the George Washington Memorial Parkway and Route 1 with 20<sup>th</sup> Street as the northern boundary and the overpass connecting Route 1 to National Airport as the southern boundary; (2) construction of the PTO in Alexandria in the Potomac Yards/Potomac Greens between the George Washington Memorial Parkway and U.S. Route 1 south of Four Mile Run and north of the Monroe Avenue Bridge; (3) construction of the PTO at the Carlyle site in Alexandria at Dulaney Street and Eisenhower Avenue between Elizabeth Lane and Carlyle Street; (4) construction of the PTO in Alexandria at 2111 Eisenhower Avenue at the Eisenhower Avenue Metro station; and, (5) a No Action Alternative which would not result in a consolidated Patent and Trademark Office in northern Virginia. Topics for environmental analysis will include the short-term impacts of construction; the long-term impacts of site operations and maintenance on land use, historic resources, visual resources, physical-biological resources, public transportation, traffic and parking, public services and utilities, and socio-economic conditions within the project areas; and, the cumulative impacts associated with this and other projects in the future.

**SUPPLEMENTARY INFORMATION:** The public meetings will be held:

Wednesday, June 4, 1997, 7:00 p.m.

Aurora Hills Recreation Center, 735  
18th Street, Arlington, Virginia,

Thursday, June 5, 1997, 7:30 p.m.

Alexandria City Hall, 301 King Street,  
Room 2000, Alexandria, Virginia

Public meetings will be advertised in local and regional newspapers. Adequate signs will be posted to direct meeting participants. A short formal presentation will precede the request for public comments. General Services Administration and the Patent and Trademark Office representatives will be available at this meeting to receive comments from the public regarding issues of concern. It is important that Federal, regional, and local agencies, and interested individuals and groups take this opportunity to identify environmental concerns that should be addressed during the preparation of the Draft EIS. In the interest of available time, each speaker will be asked to limit oral comments to ten (10) minutes. A document summarizing the written and oral comments received will be prepared.

An Informational Packet will be available for review at the public meetings or upon request to the GSA contact identified below. Agencies and the general public are invited and are encouraged to provide written comments on the scoping issues in addition to, or in lieu of oral comments at the public meeting. To the most helpful, environmental review/scoping comments would clearly describe specific issues or topics which the community believes the EIS should address.

**DATES:** All written statements regarding environmental review of the proposed Patent and Trademark Office must be postmarked no later than May 19, 1997 to the following address: General Services Administration, Attn: Carl W. Winters, Property Acquisition and Realty Services (WPEMC), 7th and D Streets, S.W., Washington, D.C. 20407.
