

Order within 15 days, the Settlement Agreement and Order will be deemed to be finally accepted on the 16th day after the date it is published in the **Federal Register**.

21. The parties further agree that the Commission shall issue the attached Order which is incorporation herein by reference; and that a violation of the Order shall subject STK to appropriate legal action.

22. Agreements, understandings, representations, or interpretations made outside this Settlement Agreement and Order may not be used to vary or contradict its terms.

23. The provisions of the Settlement Agreement and Order shall apply to STK and each of its successors and assigns.

Dated: March 13, 1997.

Respondent STK International, Inc.

Stuart Todd Kole,
President, STK International, Inc., 2602 East
37th Street, Vernon, CA 90058.

Commission Staff

Eric L. Stone,
Director, Division of Administrative
Litigation, Office of Compliance.

David Schmeltzer,
Assistant Executive Director, Office of
Compliance, Consumer Product Safety
Commission, Washington, D.C. 20207-0001.

Dated: March 19, 1997.

Dennis C. Kacoyanis,
Trial Attorney, Division of Administrative
Litigation, Office of Compliance.

Order

Upon consideration of the Settlement Agreement between Respondent STK International, Inc., a corporation, and the staff of the Consumer Product Safety Commission; and the Commission having jurisdiction over the subject matter and STK International, Inc.; and it appearing that the Settlement Agreement and Order is in the public interest, it is

Ordered, that the Settlement Agreement and Order be and hereby is accepted, as indicated below; and it is

Further ordered, that upon final acceptance of the Settlement Agreement and Order, STK International, Inc. shall pay to the Commission a civil penalty in the amount of EIGHTY THOUSAND AND 00/100 DOLLARS (\$80,000.00) in two payments consisting of FORTY THOUSAND AND 00/100 DOLLARS (\$40,000.00) each. The first payment of FORTY THOUSAND AND 00/100 DOLLARS (\$40,000.00) shall be due within twenty (20) days after service upon Respondent of the Final Order of the Commission accepting the

Settlement Agreement and Order (hereinafter, the anniversary date). The second payment of FORTY THOUSAND AND 00/100 DOLLARS (\$40,000.00) shall be paid within one year after service of the Final Order upon Respondent. Payment of the full amount of the civil penalty shall settle fully the staff's allegations set forth in paragraphs 4 through 13 of the Settlement Agreement and Order that STK International, Inc. violated the FHSA. Upon failure of STK International, Inc. to make payment or upon the making of a late payment by STK International, Inc. (a) the entire amount of the civil penalty shall be due and payable, and (b) interest on the outstanding balance shall accrue and be paid at the federal legal rate under the provisions of 28 U.S.C. §§ 1961 (a) and (b).

Provisionally accepted and Provisional Order issued on the 21st day of April, 1997.

By Order of the Commission.

Sadye E. Dunn,

Secretary, Consumer Product Safety
Commission.

BILLING CODE 6355-01-M

CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

National Service Fellowships

AGENCY: Corporation for National and Community Service.

ACTION: Request for proposals.

SUMMARY: The Corporation for National and Community Service (Corporation) requests proposals to be submitted so that it may support up to fifteen National Service Fellowships beginning in September 1997.

DATES: Proposals must be received by June 16, 1997.

ADDRESSES: Proposals must be delivered to Pam Burch, Procurement Services, Corporation for National and Community Service, 1201 New York Avenue NW, 9th Floor, Washington, DC 20525.

FOR FURTHER INFORMATION: Guidelines for developing proposals must be made in writing (no telephonic requests will be accepted) to the address above, by facsimile to (202) 565-2777, or by electronic mail to Pburch@cns.gov. For all other questions, contact Pam Burch at (202) 606-5000 ext.352.

SUPPLEMENTARY INFORMATION: The Corporation plans to support up to fifteen National Service Fellowships beginning in September 1997. The Fellowships will be in the form of contracts, made directly to individuals,

for up to \$25,000 for a nine to ten month period (\$2,500 per month). Fellowship candidates must submit a proposal to the Corporation explaining a significant issue that they would address, what contribution they would make, and what outcomes would result from their efforts. Fellowship assignments will be carried out where the Corporation (or possibly State Commissions) maintains offices so that the Corporation may provide office space and management. In addition to producing the outcomes specified in their respective proposals, fellows will also serve on a self-managed team with other fellows to assess progress, consider synergy among projects, and for purposes of individual development. Fellowship candidates must be citizens or lawful permanent resident aliens of the United States.

Criteria for Consideration

1. Substance and conceptual quality of the proposal.
2. Relevance of the proposed outcome to the Corporation and/or the field of service.
3. Degree of predictability that the prospective Fellow has the ability to produce the proposed outcome, including indicators such as work experience and accomplishments, and academic credentials and accomplishments.
4. Experience performing significant service, including experience as an AmeriCorps Member or Leader, or with another Corporation-related program.

Authority: 45 CFR 2533.10.

Dated: April 21, 1997.

Thomas M. Flemming,

Program Management Officer, Corporation for
National and Community Service.

BILLING CODE 6050-28-P

DEPARTMENT OF DEFENSE

Office of the Secretary

Defense Science Board Task Force on Underground Facilities

ACTION: Notice of Advisory Committee Meetings.

SUMMARY: The Defense Science Board Task Force on Underground Facilities will meet in closed session on May 28-29, 1997 at Strategic Analysis Inc., 4001 N. Fairfax Drive, Arlington, Virginia.

The mission of the Defense Science Board is to advise the Secretary of Defense through the Under Secretary of Defense for Acquisition and Technology on scientific and technical matters as they affect the perceived needs of the

Department of Defense. At this meeting the Task Force will address the threat to U.S. interests posed by the growth of underground facilities in unfriendly nations. The Task Force should investigate technologies and techniques to meet the international security and military strategy challenges posed by these facilities.

In accordance with Section 10(d) of the Federal Advisory Committee Act, Pub. L. No. 92-463, as amended (5 U.S.C. App. II, (1994)), it has been determined that this DSB Task Force meeting concerns matters listed in 5 U.S.C. § 552b(c)(1) (1994), and that accordingly this meeting will be closed to the public.

Dated: April 21, 1997.

L.M. Bynum,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5000-04-M

DEPARTMENT OF DEFENSE

Office of the Secretary

Defense Science Board Task Force on Submarine of the Future

ACTION: Notice of Advisory Committee Meetings.

SUMMARY: The Defense Science Board Task Force on Submarine of the Future will meet in closed session on May 19-20, 1997 at Science Applications International Corporation, 4001 N. Fairfax Drive, Arlington, Virginia.

The mission of the Defense Science Board is to advise the Secretary of Defense through the Under Secretary of Defense for Acquisition and Technology on scientific and technical matters as they affect the perceived needs of the Department of Defense. At this meeting the Task Force will assess the nation's need for attack submarines in the 21st century.

In accordance with Section 10(d) of the Federal Advisory Committee Act, PL No. 92-463, as amended (5 U.S.C. App. II, (1994)), it has been determined that these DSB Task Force meetings concern matters listed in 5 U.S.C. 552b(c)(1) (1994), and that accordingly these meetings will be closed to the public.

Dated: April 21, 1997.

L.M. Bynum,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

DEPARTMENT OF DEFENSE

Department of the Army

Environmental Assessment (EA) and Finding of no Significant Impact (FNSI) for the Disposal and Reuse of Fort Holabird Defense Investigative Service and Cummins Apartments Parcels, Baltimore, Maryland

AGENCY: Department of the Army, DoD.

ACTION: Notice of availability.

SUMMARY: In accordance with Public Law 101-510, the Defense Base Closure and Realignment Commission recommended the closure of Fort Holabird upon relocation of its remaining tenant, the Defense Investigative Service (DIS). The law further directs that the organization be relocated to a new facility at Fort Meade, Maryland. In addition, Public Law 104-106 allows for the conveyance of the 6.6 acres under and around Cummins Apartments, housing located on a parcel of Fort Holabird, to the current owner of the apartment building(s).

The EA analyzes the environmental and socioeconomic effects of the closure of Fort Holabird, and the sale of land associated with Cummins Apartments. The relocation of the organization to Fort Meade and the planned construction of a new facility is covered in a separate EA. The Fort Holabird disposal EA also evaluates potential reuse of the property.

The EA evaluated three disposal alternatives: encumbered disposal, unencumbered disposal, and the no-action alternative. The preferred alternative is encumbered disposal. This involves transfer of the property with conditions, imposed by the Army and incorporated into transfer documents, on future reuse. Currently, there are no encumbrances associated with the parcels. There are, however, several potentially contaminated areas in the vicinity of the DIS parcel. These areas require further environmental evaluation. If the ongoing investigation reveals contamination that needs to be remediated, it may be necessary to dispose of the property with encumbrances to protect and allow continued access to affected area.

In addition to the proposed Army disposal actions, the EA also evaluates three potential reuse scenarios for the DIS parcel (high-intensity, medium-intensity, and low-intensity reuse scenarios). These scenarios were developed by the Army in cooperation with the City of Baltimore to evaluate a range of reasonably foreseeable impacts

from reuse by other parties, as an indirect action resulting from the disposal. A local community reuse plan is being prepared.

The Chief of Staff, U.S. Army Military District of Washington, has concluded the proposed disposal and reuse of the DIS and Cummins Apartments parcels do not constitute a major federal action significantly affecting the environment. Because no significant adverse effects are expected as a result of the disposal and reuse of the parcels, an Environmental Impact Statement is not required, and will not be prepared.

DATES: Public comments must be submitted on or before May 27, 1997.

ADDRESSES: Copies of the EA and FNSI may be obtained by writing to, and any inquiries should be addressed to, the U.S. Army Corps of Engineers, ATTN: Ms. Maria de la Torre (CENAB-PL-EM), P.O. Box 1715, Baltimore, Maryland 21203-1715, or by telefax at (410) 962-4698, within 30 days of the publication of this notice. Individuals wishing to review the EA may also examine a copy at the Enoch Pratt Library, 400 Cathedral Street, Baltimore, Maryland.

FOR FURTHER INFORMATION CONTACT: Ms. Charlotte Rodriguez at (202) 685-3255.

Dated: April 18, 1997.

Raymond J. Fatz,

Deputy Assistant Secretary of the Army (Environment, Safety and Occupational Health) OASA (I, L&E).

Notice of Availability of the Record of Decision (ROD) for Hamilton Army Airfield, California, Disposal and Reuse Final Environmental Impact Statement (FEIS)

AGENCY: Department of the Army, DoD.

ACTION: Notice of availability.

SUMMARY: In compliance with the National Environmental Policy Act of 1969 and the President's Council on Environmental Quality, the Army has prepared an FEIS for the disposal of lands at Hamilton Army Airfield (HAAF), California. The FEIS also describes the potential impacts of a range of potential reuse alternatives. The ROD, based on the FEIS, finds no significant impacts are associated with disposal of HAAF. Any impacts or mitigation associated with reuse depending on intensity and scenario chosen will be the responsibility of non-
