

In lieu of filing a revised Index of Customers pursuant to a March 31, 1997 letter order issued by the Acting Director of the Office of Pipeline Regulation, Gasdel seeks permission to withdraw Original Tariff Sheet No. 45, Index of Customers, because Gasdel has only interruptible transportation customers on its system, and Section 154.111(b) of the Commission's regulations only requires pipelines to include in their Index of Customers a list of pipelines' firm transportation customers.

Any person desiring to protest this motion should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
