**Caliente RMP Amendment**

In the plan amendment, the federal oil and gas estate within the Caliente Resource Area will be identified for conveyance by means of exchange and the exchange value determined by appraisal and subsequent auction. The environmental effects of the proposed exchange, as well as the amendment to the Caliente RMP, will be addressed within the joint Headwaters EIS/EIR. This additional scoping opportunity is presented for the public to address the proposed amendment to the Caliente RMP. Any additional scoping comments relating to the plan amendment must be submitted on or before June 16, 1997 to BLM's office in Sacramento at the address listed above.

A Notice of Intent to prepare an EIS/EIR for the Headwaters exchange was published in the **Federal Register** on December 27, 1996 at page 68285 (61 FR 68285) by U. S. Fish and Wildlife Service. A series of six public meetings to solicit public comments were held in January of 1997. The subsequent public scoping period was completed on February 18, 1997.

(3) There is a relationship of shared group identity that can be reasonably traced between the Office of Hawaiian Affairs and Hui Malama I Na Kupuna 'O Hawai 'i Nei and the Native Hawaiians who created and used the carved wooden figure;

(4) The carved wooden figure cannot be identified as an item that, as part of the death rite or ceremony of a culture,
