SUPPLEMENTARY INFORMATION: Following is a summary of the application. The complete application is available for a fee from the Public Reference Branch of the SEC.

Applicant's Representations

1. The Trust is an open-end, management investment company organized as a Massachusetts business trust. It currently offers shares of capital stock ("shares") in five separate investment portfolios (the "Portfolios"), each of which has its own investment objective: The Value Portfolio, The Growth Portfolio, The International Growth Portfolio, the Global Strategic Income Portfolio, and the Global Interactive/Telecomm Portfolio. Additional portfolios may be added in the future.

2. PAI is a corporation organized under the laws of Delaware, and is registered as an investment adviser under the Investment Advisers Act of 1940. PAI serves as overall investment manager of the Portfolios. The Trust retains other investment advisers (the "Portfolio Managers") to handle the day-to-day investment management of the Portfolios.

3. The Trust currently sells shares of the Portfolio to First ING of New York Separate Account A1, a separate account of First ING Life Insurance Company of New York, an affiliate of Security Life of Denver Insurance Company (collectively, "Security Life"). The Trust intends to offer shares of the Portfolios to Separate Accounts of other Participating Insurance Companies, including insurance companies that are not affiliated with Security Life, to serve as investment vehicles for various types of insurance products, including variable annuity contracts, single premium variable life insurance contracts, scheduled premium variable life insurance contracts, and flexible premium variable life insurance contracts (collectively, the "Contracts").

4. The Trust also intends to offer its shares to qualified pension or retirement plans ("Plans") described in Treasury Regulation § 1.817-6(f)(3)(iii).

5. Each Portfolio Manager has agreed that it or an affiliate (either directly or through a qualified pension or

retirement plan) will invest \$1 million in the shares of the Portfolio(s) it manages. Each Portfolio Manager purchasing Portfolio shares has agreed that all such shares will be automatically redeemed if and when the Portfolio Manager's advisory agreement with the Trust terminates.

6. PAI will not act as an investment adviser to any Plan which purchases shares of the Trust. While a Portfolio Manager may serve as investment adviser to one or more Plans which invest in the Trust, none of the assets of any Plan advisory account actually managed by such Portfolio Manager will be invested in the Trust. Nor may such Portfolio Manager advise any Plan to invest in the Trust. Plans advised by a Portfolio Manager may independently choose to invest in the Trust.

Applicant's Legal Analysis

1. Applicants request that the Commission issue an order under Section 6(c) of the 1940 Act granting exemptions from Sections 9(a), 13(a), 15(a) and 15(b) thereof, and Rules 6e-2(b)(15) and 6e-3(T)(b)(15) thereunder to the extent necessary to permit "mixed" and "shared" funding, as defined below.

2. Section 6(c) authorizes the Commission, by order upon application, to conditionally or unconditionally exempt any person, security, or transaction, or class or classes of persons, securities, or transactions, from any provision of the 1940 Act, or the rules or regulations thereunder, if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the 1940 Act.

3. In connection with the funding of scheduled premium variable life insurance contracts issued through a separate account registered under the 1940 Act as a unit investment trust ("UIT"), Rule 6e-2(b)(15) provides partial exemptions from Sections 9(2), 13(a), 15(a) and 15(b) of the 1940 Act. The exemptions granted to a separate account by Rule 6e-2(b)(15) are available only where all of the assets of the separate account consist of the shares of one or more registered management investment companies which offer shares "exclusively to variable life insurance separate accounts of the life insurer, or of any affiliated life insurance company."¹ Therefore, the relief grant by Rule 6e-2(b)(15) is

¹ The exemptions provided by Rule 6e-2 also are available to the investment adviser, principal underwriter, and sponsor or depositor of the separate account
