

DEPARTMENT OF DEFENSE**Department of the Air Force****Notice of Public Hearings for the Enhanced Training in Idaho Proposal, Mountain Home Air Force Base, Idaho**

The Bureau of Land Management (Department of the Interior) and the United States Air Force (Department of Defense) will convene public hearings in accordance with the Federal Land Policy and Management Act (FLPMA) and its associated regulations for public land withdrawals. The public will be given an opportunity to participate in informal discussions and/or provide statements in a public forum.

The Air Force proposes to develop a 12,000-acre tactical air-to-ground training range, 5 no-drop targets, 30 electronic emitter sites, and an associated road network, all of which would be located on federal and State of Idaho school endowment lands. For use of the federal lands, the Air Force proposes to obtain a withdrawal under the Engle Act and FLPMA for the larger portions and to obtain rights-of-way from the Bureau of Land Management for the smaller portions. For use of the state school endowment lands, the Air Force proposes to enter into lease agreements with the State of Idaho. Three alternatives are being considered for the 12,000-acre withdrawal. The alternatives include the same basic elements, varying in the locations of the tactical air-to-ground training range, the locations of the no-drop target areas, and the reconfiguration and expansion of the airspace. The No-Action alternative involves use of existing local and remote range assets at current levels.

The public hearings will be publicized in the local media and are scheduled from 6–10 pm for the following dates and locations:

June 3, 1997 (Tuesday) Mountain Home High School Auxiliary Gym and foyer, Mountain Home, ID.

June 4, 1997 (Wednesday) Grandview Elementary School Gym and foyer, Grandview, ID.

June 5, 1997 (Thursday) College of Southern Idaho, Shilz Building Rooms 117 & 118, Twin Falls, ID.

June 9, 1997 (Monday) Duck Valley Reservation Headquarters, Owyhee, NV.

June 12–13, 1997 (Thursday and Friday) Boise State University, Jordan Ballrooms B & C, Boise, ID.
