National Park Service

General Management Plan/ Environmental Impact Statement for Gettysburg National Military Park/ Soldiers' National Cemetery, Pennsylvania

AGENCY: National Park Service, Interior.

ACTION: Notice of intent to prepare an
Environmental Impact Statement.

SUMMARY: The National Park Service (NPS) will prepare a General Management Plan/Environmental Impact Statement (GMP/EIS) for Gettysburg National Military Park/Soldiers' National Cemetery in Gettysburg, Pennsylvania. The GMP will establish a management philosophy and develop a broad framework for future decision making in the park for the next 15-20 years. The NPS will be working closely with representatives of Adams County; the Commonwealth of Pennsylvania; local agencies and businesses; concerned local and national organizations; and private citizens.

Among the major issues likely to be addressed in the Gettysburg National Military Park/Soldiers' National Cemetery GMP/EIS are resource protection, visitor activities and interpretation, visitor use and levels, development, support facilities, and operations. A full range of alternatives, including a "no action" and a "minimum requirements" alternatives, will be considered in the GMP/EIS to address these and other issues that may emerge during the planning process.

Scoping, the process by which the issues to be addressed in the GMP/EIS are identified, will be conducted through public newsletters and public meetings during the summer of 1997. The first scoping meeting will be held on May 21, 1997 from 7:00-9:00 pm at the Holiday Inn, 516 Baltimore Street, Gettysburg, PA. Additional meeting dates, locations, and times will be announced through local media. Representative of Federal, State and local agencies, private organizations and individuals from the general public are invited to participate in the scoping

process by responding to this Notice with written comments. All comments that are received will become part of the public record and copies of comments, including any names, addresses and telephone numbers provided by respondents, may be released for public inspection. The draft GMP/EIS is expected to be available for public review during November 1997, with the final version of the GMP/EIS and the Record of Decision to be completed by March 1998.

Because the responsibility for approving the GMP/EIS has been delegated to the NPS, the EIS is a "delegated" EIS. The responsible official is Marie Rust, Regional Director, Northeast Region, National Park Service.

DATES: Written comments about the scope of issues to be analyzed in the GMP/EIS should be received no later than July 15, 1997.

ADDRESSES: Written comments concerning the GMP/EIS should be sent to John Latschar, Superintendent, Gettysburg National Military Park, 97 Taneytown Road, Gettysburg, PA 17325, or at telephone number (717) 334-1124 ext. 436. Requests for information should be directed to Katie Lawhon, (717) 334-1124 ext. 452, at the same address.

Dated: April 28, 1997.

John A. Latschar,

Superintendent, Gettysburg National Military Park, National Park Service.
