### Privacy Act of 1974; Notice of New System of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), notice is hereby given that the Department of Justice proposes to establish a new system of records to be maintained by the Immigration and Naturalization Service (INS).

The automated Law Enforcement Support Center Database (LESC) JUSTICE/INS-023, is a new system of records for which no public notice consistent with the provisions of 5 U.S.C. 552a(e) (4) and (11) has been published.

5 U.S.C. 552a(e) (4) and (11) provide that the public be given a 30 day period in which to comment on the new routine uses; the Office of Management and Budget (OMB), which has oversight responsibility under the Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments by June 13, 1997. The public, OMB and the Congress are invited to submit any comments to Patricia E. Neely, Program Analyst, Information Management and Security

Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 850, WCTR Building).

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress.

Dated: April 28, 1997.

**Stephen R. Colgate,**  
Assistant Attorney General for  
Administration.

#### JUSTICE/INS-023

##### SYSTEM NAME:

Law Enforcement Support Center Database.

##### SYSTEM LOCATION:

Immigration and Naturalization Service (INS), Law Enforcement Support Center (LESC), Eastern Regional Office Building, 70 Kimball Avenue, South Burlington, Vermont 05403-6813.

##### CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Immigrants that have the status of legal permanent resident and/or United States citizen and who are either the subject of an investigation, or have been arrested, charged with and/or convicted of criminal or civil offenses which could render them deportable or excludable under the provisions of immigration and nationality laws.

##### CATEGORIES OF RECORDS IN THE SYSTEM:

The categories of records include: Biographic identifiers (e.g. name, alien registration number, date and place of birth, social security number, Federal Bureau of Investigation number); investigatory and criminal history information; booking number; passport number; correctional inmate identifiers and any other information that would enable INS to gather additional evidence, respond to law enforcement queries, and/or to determine the status and/or deportability/excludability of an individual. In addition, the system will include criminal alien inquiries and INS responses.

##### AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

(1) 8 U.S.C. 1103 and 1252; (2) 21 U.S.C. 802 and section 7343 of the Anti-Drug Abuse Act of 1988, (Pub. L. 100-690); and (3) Section 504 of the Immigration Act of 1990 (Pub. L. 101-649).

##### PURPOSE(S):

The database will provide an efficient means to manage and maintain investigatory information which has been collected from a variety of external sources such as the law enforcement community, and from internal sources (including other INS automated

systems). This database will allow authorized personnel to respond to specific criminal alien inquiries from law enforcement agencies who wish to determine the immigration status of the individual, and whether they are under investigation and/or wanted by INS. In particular, it will enable INS to comply with a requirement of the Anti-Drug Abuse Act of 1988, Pub. L. 100-690, that states the INS will maintain (on a 24-hour basis) resources to identify individuals arrested as aggravated felons. In addition, the system of records will permit INS to facilitate the processing of individuals for deportation and expulsion proceedings. Finally, it will enable INS to determine whether previous law enforcement inquiries have been received concerning alleged criminals and, through statistical or other analyses, to evaluate the success of its enforcement efforts.

##### ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

Relevant information contained in this system of records may be disclosed to the following:
