**SUMMARY:** The Office of Food for Peace (FFP), within the Bureau for Humanitarian Response (BHR), U.S. Agency for International Development (USAID) intends to proceed with a new five-year Public Law 480, Title II Institutional Support Grant (ISG) program with new awards to be made in or around August 1998. The current ISG program (to end August 1998) is focused on providing private voluntary organization (PVO) headquarters support to maintain current Title II activities and to improve the capacity of the PVOs to carry out Title II programs. More specifically, the stated purpose of the current ISG program is to support the efforts of the PVO to:

- (3) Carry out feasibility studies aimed at initiating Title II activities in new countries, especially those addressing food security.

FFP's goal is to achieve

sustained improvement in household nutrition and agricultural productivity for vulnerable groups served by USAID food aid programs.

FFP intends that the new ISG program will continue to support this goal by enabling FFP to meet its two strategic objectives:

- (1) Increasing FFP's partners' capabilities to effect and sustain access to food, improvements in household nutrition and agricultural productivity for vulnerable groups participating in food aid activities, and
- (2) Meeting critical needs of targeted vulnerable groups in emergency situations and contributing to the stabilization of post-emergency societies.

FFP is in the early stages of drafting new ISG guidelines and would like to receive comments from the PVO community and others on how the grant program should be structured so as to support FFP's strategic objectives.
