#### Termination of Recreation and Public Purposes (R&PP) Classification; Nevada

**AGENCY:** Department of the Interior, Bureau of Land Management.

**ACTION:** Notice.

**SUMMARY:** This notice terminates R&PP Classification N–58975. The termination of this classification is for record-clearing purposes. The subject lands will remain segregated from all forms of appropriation under the public land laws, including the general mining laws, due to an overlapping segregation for disposal by exchange.

**EFFECTIVE DATE:** Termination of the classification is effective upon publication of this notice in the **Federal Register**.

**FOR FURTHER INFORMATION CONTACT:** Sharon DiPinto, BLM Las Vegas District Office, 4765 Vegas Drive, NV 89108, 702–647–5062. Detailed information concerning this action is available for review at the office of the Bureau of Land Management, Las Vegas District, 4765 W. Vegas Drive, Las Vegas, Nevada.

#### Realty Action; Direct Sale of Public Land; Cody Resource Area, Wyoming

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of realty action.

**SUMMARY:** The Bureau of Land Management has determined that the following land is suitable for direct sale to Peter M. Scripps under Sections 203 and 209 of the Federal Land Policy and

Management Act (FLPMA) of 1976, (90 STAT. 2750, 2757), (43 U.S.C. 1713, 1719), (43 CFR 2711.3–3 [1] and [5]) and (43 CFR 270) at not less than fair market value. The land will not be offered for sale until at least 60 days after the date this notice is published in the **Federal Register**.

#### Sixth Principal Meridian, Wyoming

T. 51 N., R. 102 W.,

Tract 72C.

Containing 9 acres more or less.

**FOR FURTHER INFORMATION CONTACT:** Duane Whitmer, Area Manager, Bureau of Land Management, Cody Resource Area, P.O. Box 518, Cody, Wyoming 82414–0518, 307–587–2216.

**SUPPLEMENTARY INFORMATION:** The land described is hereby segregated from appropriation under the public land laws, including the mining laws, pending disposition of this action, or 270 days from the date of publication of this notice, whichever occurs first. The land would be offered by direct sale to Peter M. Scripps, an adjacent private landowner, at fair market value. Mr. Scripps would pay almost all of the administrative costs of the sale. This sale is consistent with Bureau of Land Management policies and the Cody Resource Management Plan (RMP) approved November 8, 1990. As indicated in the Cody RMP, the preferred method of land disposal to a private landowner is by exchange. However, because of the small acreage and relatively low dollar value involved, BLM believes a sale is more appropriate.

The purpose of this sale is to resolve a conflict with an inadvertent placement of a private water well on public lands, to consolidate Mr. Scripps' holdings, and to dispose of an isolated parcel of public land that is difficult and uneconomical to manage. The 9 acre tract is adjoined on two sides by Mr. Scripps' land, and by state of Wyoming land on the other two sides. There is virtually no public access to the tract, except by foot or horseback across 0.75 to 1.5 miles of public and state land to the north and east. The unfenced tract consists of a moderately steep hillside covered with mostly sagebrush, grasses, and some trees. Little, if any, use of the land by the public has occurred in the past because of the isolated location. A public scoping notice regarding this proposed sale was published in the Cody Enterprise for three consecutive weeks from July 29, 1996 to August 12, 1996. No adverse comments were received.

Mr. Scripps would be required to submit a nonrefundable application fee of \$50.00 in accordance with 43 CFR 2720, for conveyance of all unreserved mineral interests in the lands. There are no grazing privileges associated with the land.

Any patent issued will be subject to all valid existing rights. Specific patent reservations include:

1. A right-of-way thereon for ditches or canals constructed by the authority of the United States pursuant to the Act of August 30, 1890 (43 U.S.C. 945).

2. All oil and gas will be reserved to the United States, together with the right to prospect for, mine, and remove the same.

3. All other existing rights of record.

The fair market value, planning document, and environmental assessment covering the proposed sale will be available for review at the Bureau of Land Management, Cody Resource Area, 1002 Blackburn, Cody, Wyoming 82414.

For a period of 45 days from the date this notice is published in the **Federal Register**, interested parties may submit comments to the Cody Resource Area, P.O. Box 518, Cody, Wyoming 82414-0518. Any adverse comments will be evaluated by the State Director, who may vacate or modify this realty action and issue a final determination. In the absence of any action by the State Director, this realty action will become the final determination of the Department of Interior.

Comments, including names and street addresses of respondent will be available for public review at the Cody Resource Area Office, 1002 Blackburn, Cody, Wyoming during regular business hours (7:30 a.m. to 4:30 p.m.) Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

Dated: May 6, 1997.
