Fresh Kiwifruit From New Zealand; Amended Final Results of Antidumping Administrative Review

AGENCY: Import Administration, International Trade Administration, Commerce.

ACTION: Notice of amended final results of Antidumping Duty Administrative review.

SUMMARY: On October 4, 1996, the Department of Commerce (the Department) published the final results of its administrative review of the antidumping duty order on fresh kiwifruit from New Zealand. The review covers one exporter, the New Zealand Kiwifruit Marketing Board (NZKMB), and the period of review (POR) from June 1, 1993 through May 31, 1994. In order to clarify the cash deposit instructions in those final results, we are amending the final results.

EFFECTIVE DATE: May 21, 1997.

FOR FURTHER INFORMATION CONTACT: Paul M. Stolz or Thomas F. Futtner, AD/CVD Enforcement, Group II, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-4474 or 482-3814, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 3, 1996, the Department published the final results (61 FR 46438) of its administrative review of the antidumping duty order on fresh kiwifruit from New Zealand (57 FR 23203 (June 2, 1992)) for the POR covering June 1, 1994 through May 31, 1995. The review covered one exporter, the NZKMB. On October 4, 1996 the

Department published the final results for the POR covering May 31, 1993 through June 1, 1994. The Department has now amended the final results of the 1993-1994 administrative review in accordance with 19 CFR 353.28(c).

Applicable Regulations

Unless otherwise indicated, all citations to the Department's regulations are to the current regulations, as amended by the interim regulations published in the **Federal Register** on May 11, 1995 (60 FR 25130).

Scope of the Review

The product covered by the order under review is fresh kiwifruit. Processed kiwifruit, including fruit jams, jellies, pastes, purees, mineral waters, or juices made from or containing kiwifruit, are not covered under the scope of the order. The subject merchandise is currently classifiable under subheading 0810.90.20.60 of the Harmonized Tariff Schedule (HTS). Although the HTS number is provided for convenience and customs purposes, our written description of the scope of this review is dispositive.

Clarification of Cash Deposit Instructions

Insofar as the final results for the more current review period, June 1, 1994 through May 31, 1995, were published prior to the final results in the 1993-1994 review period, the Department must amend the

instructions on antidumping duty cash deposits. Accordingly, the following cash deposit information supersedes the cash deposit instructions contained in the October 4, 1996 final results for the review covering May 31, 1993 through June 1, 1994.

Since final results for a more current review period, June 1, 1994 through May 31, 1995, were published on September 3, 1996, the cash deposit instructions contained in that notice will apply to all shipments to the United States of subject merchandise entered, or withdrawn from warehouse, for consumption on or after September 3, 1996. The dumping margins established for the June 1, 1993 through May 31, 1994 POR will have no effect on the cash deposit rate for any firm. The margin results will apply for liquidation of shipments entered, or withdrawn from warehouse, for consumption during the June 1, 1993 through May 31, 1994 POR only.

This notice is in accordance with 19 CFR 353.28.

Dated: May 13, 1997.

Jeffrey P. Bialos,

Acting Assistant Secretary for Import Administration.
