BILLING CODE 3901-01-M

**OFFICE OF THE UNITED STATES
TRADE REPRESENTATIVE**

Allocation of the 200,000 Metric Ton Increase in the Amount Available Under the Raw Cane Sugar Tariff-Rate Quota

AGENCY: Office of the United States Trade Representative.

ACTION: Notice.

SUMMARY: The Office of the United States Trade Representative (USTR) is providing notice of the allocation among supplying countries and customs areas for the 200,000 metric ton increase in the amount available under the current raw cane sugar tariff-rate quota triggered by the fact that the stocks to use ratio for sugar reported in the U.S. Department of Agriculture's World Agricultural Supply and Demand Estimates on May 12, 1997, was 15.4 percent.

EFFECTIVE DATE: May 21, 1997.

ADDRESSES: Inquiries may be mailed or delivered to Audrae Erickson, Senior Economist, Office of Agricultural Affairs (Room 421), Office of the United States Trade Representative, 600 17th Street, NW, Washington, DC 20508.

FOR FURTHER INFORMATION CONTACT: Audrae Erickson, Office of the Agricultural Affairs, 202-395-6127.

SUPPLEMENTARY INFORMATION: Pursuant to Additional U.S. Note 5 to chapter 17 of the Harmonized Tariff Schedule of the United States (HTS), the United States maintains a tariff-rate quota for imports of raw cane sugar. On September 13, 1996, the Secretary of

Agriculture announced the in-quota quantity for the tariff-rate quota for raw cane sugar for the period October 1, 1996-September 30, 1997, and announced an administrative plan under which the quantity available would be increased by 200,000 metric tons, raw value if the stocks-to-use ratio reported in the May 1997 U.S. Department of Agriculture's World Agricultural Supply and Demand Estimates (WASDE) is less than or equal to 15.5 percent. On May 12, 1997, the WASDE reported a stocks to use ratio of 15.4 percent, thereby triggering a 200,000 metric ton increase in the quantity available under the tariff-rate quota.

Section 404(d)(3) of the Uruguay Round Agreements Act (19 U.S.C. 3601(d)(3)) authorizes the President to allocate the in-quota quantity of a tariff-rate quota for any agricultural product among supplying countries or customs areas. The President delegated this authority to the United States Trade Representative under paragraph (3) of Presidential Proclamation No. 6762 (60 FR 1007). Additional U.S. Note 5(b)(i) to chapter 17 of the HTS also provides that the quota amounts established under the note may be allocated among supplying countries and areas by the United States Trade Representative.
