COMMISSION ON CIVIL RIGHTS

Agenda and Notice of Public Meeting of the North Dakota Advisory Committee

Notice is hereby given, pursuant to the provisions of the rules and regulations of the U.S. Commission on Civil Rights, that a meeting of the North Dakota Advisory Committee to the Commission will convene at 1:00 p.m. and adjourn at 4:00 p.m. on Tuesday, June 24, 1997, at the Country Suites, 3316 13th Avenue South, Fargo, North Dakota 58103. The purpose of the meeting is to brief the Committee on Commission and regional activities, discuss current civil rights issues in the State, and finalize plans for a second factfinding meeting in Fargo.

Persons desiring additional information, or planning a presentation to the Committee, should contact Committee Chairperson Betty L. Mills, 701-223-4643, or John Dulles, Director of the Rocky Mountain Regional Office, 303-866-1400 (TDD 303-866-1049). Hearing-impaired persons who will attend the meeting and require the services of a sign language interpreter should contact the Regional Office at least five (5) working days before the scheduled date of the meeting.

The meeting will be conducted pursuant to the provisions of the rules and regulations of the Commission.

Dated at Washington, DC, May 27, 1997.

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Order No. 890]

Grant of Authority for Subzone Status ZF Industries, Inc.; (Automotive Axles); Tuscaloosa County, Alabama

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, by an Act of Congress approved June 18, 1934, an Act "To provide for the establishment . . . of foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes," as amended (19 U.S.C. 81a-81u) (the FTZ Act), the Foreign-Trade Zones Board (the Board) is authorized to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs ports of entry;

Whereas, the Board's regulations (15 CFR part 400) provide for the establishment of special-purpose subzones when existing zone facilities cannot serve the specific use involved;

Whereas, an application from the City of Birmingham, Alabama, grantee of Foreign-Trade Zone 98, for authority to establish special-purpose subzone status for the automotive axle manufacturing plant of ZF Industries, Inc., in Tuscaloosa County, Alabama, was filed by the Board on April 16, 1996, and notice inviting public comment was given in the **Federal Register** (FTZ Docket 31-96, 61 FR 18375, 4-25-96); and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and Board's regulations are satisfied, and that approval of the application is in the public interest;

Now, Therefore, the Board hereby grants authority for subzone status at the ZF Industries, Inc., plant in Tuscaloosa County, Alabama (Subzone 98B), at the location described in the application, subject to the FTZ Act and the Board's regulations, including § 400.28.

Signed at Washington, DC, this 23rd day of May 1997.

Jeffrey Bialos,

Acting Assistant Secretary of Commerce for Import Administration, Alternate Chairman, Foreign-Trade Zones Board.

John J. Da Ponte, Jr.,

Executive Secretary.

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Docket 42-97]

Foreign-Trade Zone 46—Cincinnati, Ohio, Area; Application for Expansion and Request for Manufacturing Authority, Cincinnati Milacron, Inc. (Horizontal Turning and Grinding Machinery and Related Consumable Products)

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Greater Cincinnati Foreign Trade Zone, Inc., grantee of FTZ 46, requesting authority to expand its zone at the Oakley Industrial Complex, and requesting, on behalf of Cincinnati Milacron, Inc., authority to manufacture horizontal turning and grinding machinery and metalworking consumable products under zone procedures within FTZ 46, Cincinnati, Ohio, area, within the Cincinnati Customs port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on May 23, 1997.

FTZ 46 was approved on January 12, 1979 (Board Order 141, 44 FR 4003; 1/19/79) and relocated on December 19, 1994 (Board Order 720, 59 FR 66891; 12/28/94). The zone currently consists of 35 acres at 175 Progress Place in Springdale (Hamilton County), Ohio, some 17 miles north of downtown Cincinnati.

The applicant is now requesting authority to expand the zone by adding a site (122 acres-5 parcels) located at 4701 Marburg Avenue, Cincinnati, Ohio. The new site is owned by Cincinnati Milacron (CM), which will serve as operator of the site.

The application also requests authority on behalf of CM to manufacture horizontal turning and grinding machinery and metalworking consumable products under zone procedures at the Marburg Avenue facilities within the proposed expansion site of FTZ 46. The facilities (99 acres/

2,450 employees) are used to produce computer-numerically-controlled horizontal turning and grinding (metal working) machines (horizontal machining centers/lathes, composites processing machines, flexible manufacturing cells, grinding machines; duty rates: 4.2, 4.4%) and consumable products used in metalworking (grinding wheels, soluble oil metal working fluids; duty rate: 1.5%). Components purchased from abroad (up to 29% of finished product value) include: lamps, oscilloscopes, chemical analysis instruments, wire and cables, electrical boards/panels, numerical process controllers, printed circuit assemblies, electrical apparatus, AC/DC motors, transformers, gears, flywheels, clutches, shaft couplings, pulleys, bearings (roller/ball), valves, parts of plastic/rubber forming machines, injection molding machines, parts of machine tools, parts of automatic data processing machines, spray guns, parts of centrifuges, filtering/purifying machines, heat exchange units, fans, pumps, linear acting engines, parts of nuclear reactors, fasteners, chain, wire ropes/cables, tubes/pipes and fittings, hoses, abrasive wheels, transfers, articles of plastic, oil seals, gaskets, conveyor/transmission belts, cements/mortars, and resins (1997 duty rates: free - 9.8%, 9.2¢/kg+2.4%). Foreign items used in the manufacture of metal working consumable products include grinding wheels, abrasives, diamond dressing, refractory ceramic goods, refractometers, cubic boron nitrate, silicon carbide, artificial corundum, glass frit, phenolic resins, epoxy resins, clay, furfuryl alcohol, and fiberglass reinforcements (1997 duty rates: free - 7.1%, .07¢/kg+2.8%). Some 15 percent of the finished machines are exported.

FTZ procedures would exempt CM from Customs duty payments on the foreign components used in export production. On its domestic sales, CM would be able to choose the duty rates that apply to finished turning and grinding machinery and metalworking consumable products for the foreign components noted above. CM would also defer duty payments on foreign-origin finished vertical turning and grinding machinery admitted to the proposed subzone. FTZ procedures would also exempt certain merchandise from state/local ad valorem inventory taxes. The application indicates that the savings from FTZ procedures would help improve CM's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to

investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is August 4, 1997. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to August 18, 1997).

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

U.S. Department of Commerce, Export Assistance Center, 36 East 7th St., Suite 2650, Cincinnati, OH 45202.

Office of the Executive Secretary, Foreign-Trade Zones Board, U.S. Department of Commerce, Room 3716, 14th Street & Pennsylvania Avenue, N.W., Washington, DC 20230.

Dated: May 23, 1997.

Dennis Puccinelli,

Acting Executive Secretary.
