#### National Cancer Institute; Call for Nominations for the National Cancer Institute Director's Consumer Liaison Group

The National Cancer Institute (NCI), the Federal Government's primary agency for cancer research, is launching a new initiative—the Director's Consumer Liaison Group (DCLG). Notice is hereby given that the NCI is accepting nominations for membership on the DCLG. This group will help the NCI to increase the representation of the cancer advocacy community on Institute advisory committees, and increase their involvement in program and policy development. The DCLG will consist of fifteen (15) consumer-advocates who are involved in cancer advocacy. The NCI will bring together these advocates from diverse communities, creating a two-way street that enables them to interact directly with the scientific community at the NCI on a wide range of programs and issues. The DCLG will also help the NCI to widen the pool of qualified consumer-advocates who can be called upon to serve on NCI advisory committees and other groups. Specifically the DCLG will meet several times a year to:

- Help develop and establish processes, mechanisms, and criteria for identifying appropriate consumer-advocates to serve on a variety of program and policy advisory committees responsible for advancing the mission of the NCI.
- Serve as a primary forum for discussing issues and concerns and exchanging viewpoints that are important to the broad development of the NCI programmatic and research priorities.
- Establish and maintain strong collaborations between the NCI and the cancer advocacy community to reach common goals.

The DCLG will provide advice and make recommendations to the Advisory Committee to the Director, NCI. Members of the first DCLG will serve one, two, or three year terms. In

subsequent years, members will serve three year terms.

*Eligibility Requirements for Individual Members.* To serve on the DCLG, a member must meet the following minimum eligibility requirements:

- Be involved in the cancer experience as a cancer survivor, a person affected by the suffering and consequences of cancer, or a professional or volunteer who works with survivors or those affected.
- Represent a constituency (formally or informally) with which she or he communicates regularly on cancer issues and be able to serve as a conduit for information both to and from his/her constituency.

Another essential requirement is a commitment to participating in the DCLG. This will not be used in the initial screening of nominees, but will be assessed as part of a more in-depth evaluation of qualified candidates.

*Criteria for Evaluating Individual Candidates.* Nominees who meet the minimum eligibility requirements will be further assessed based on the following criteria:

- Cancer advocacy experience.
- Ability to communicate effectively.
- Ability to represent broad issues, think "globally."
- Ability to contribute to an effective group process (e.g., cooperative, constructive, flexible, innovative).
- Leadership ability. (While members of the DCLG are not required to hold a formal leadership position within a cancer advocacy organization, they must have leadership skills.)

*Characteristics of the DCLG.* In addition to the criteria for individual candidates, the following characteristics of the DCLG as a group are intended to ensure that it reflects the breadth and diversity of the consumer advocacy community:

- Multicultural diversity.
- A broad mix of cancer sites.
- Representation of the medically underserved.
- Men and women.
- A range of organizations (local/regional and national).
- Age diversity.
- Geographic diversity (rural/urban mix).

*Screening, Scoring, and Review Process.* After nominees are screened for eligibility, they will be scored in terms of the criteria. A list of highly qualified candidates who reflect balance and diversity of representation will be forwarded to the Director, NCI, for selection of the DCLG members.

*Nomination Process.* The call for nominations is being disseminated to a broad range of groups, including local, regional and national organizations, to encourage nominations of candidates reflecting the diversity sought for the DCLG. Nominations may come from members of organizations, or individuals, including self-nominations. The nominations must be postmarked by September 15, 1997. To request a nomination package send your name, advocacy organization affiliation (if any), and address to the Office of Liaison Activities, NCI, c/o Palladian Partners, 7315 Wisconsin Avenue, Suite 440 W, Bethesda, MD 20814, FAX (301) 986-5047.

Dated: May 28, 1997.

[Docket No. FR-4182-N-03]

### Fiscal Year 1997 Notice of Funding Availability for Continuum of Care Homeless Assistance; Supportive Housing Program (SHP); Shelter Plus Care (S+C); Sec. 8 Moderate Rehabilitation Single Room Occupancy Program for Homeless Individuals (SRO)

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice of funding availability (NOFA); Notice of Revision and Extension of Deadline.

**SUMMARY:** On April 8, 1997 (62 FR 17024), HUD published a notice announcing the availability of fiscal year (FY) 1997 funding for three of its programs that assist communities in combating homelessness. The three programs are: (1) Supportive Housing; (2) Shelter Plus Care; and (3) Section 8 Moderate Rehabilitation for Single Room Occupancy Dwellings for Homeless Individuals. Since the issuance of the April 8, 1997 NOFA, HUD has realized that the NOFA's limitations placed on the level of refunding for existing projects are too inflexible. HUD's policy is to allow communities as much flexibility as possible in the preparation of their Continuum of Care System and the size and selection of projects. Therefore, this notice announces that the April 8, 1997 NOFA is revised to allow communities to request full funding for eligible renewal activities when proposing renewal of existing projects. This notice also extends the application deadline to August 18, 1997.

**DEADLINE DATES:** *Applications Delivered.* Applications are due before midnight on August 18, 1997.

Before and on the deadline date, and during normal business hours (up to 6:00 p.m.) completed applications will be accepted at the Office of Special Needs Assistance Programs (Room 7270) in Washington at the address below.

On the deadline date and after normal business hours (after 6:00 p.m.), hand-carried applications will be received at the South Lobby of the Department of Housing and Urban Development at the address below. HUD will treat as ineligible for consideration delivered applications that are received after that deadline.
