BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Clean Water Act

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that a consent decree was lodged in *U.S. v. Pacific Gas and Electric Company*, Civil Action No. C97-1969-MHP (N.D. Cal.) on May 27, 1997 with the United States District Court for the Northern District of California. The case is a civil action under Section 309 of the Clean Water Act ("Act"), 33 U.S.C. 1319, for violations of provisions of the Act and of National Pollution Elimination Discharge System ("NPDES") permits that required Pacific Gas and Electric Company ("PG&E") to demonstrate that the cooling water system at the Diablo Canyon nuclear power plant employed the best technology available to minimize adverse environmental impacts.

The United States' complaint alleges that PG&E submitted an incorrect, incomplete, and misleading report on the environmental effects of the Diablo Canyon cooling water system and that PG&E also failed to promptly submit missing information after it discovered that it had submitted incorrect information in a report. The State of California has also filed a complaint against PG&E. The State of California and the United States have entered into a joint consent decree with PG&E that resolves the allegations of both complaints. Under the Consent Decree, PG&E will pay the state and federal governments \$14.04 million dollars. That sum includes \$7.1 million in state and federal penalties, \$6.19 million in environmental projects, and \$750,000 in State fees and costs. The \$6.19 million environmental enhancement component of the settlement comprises three projects: \$3.66 million to be devoted to the Morro Bay State and National Estuary Program, \$2.50 million for the State of California Mussel Watch

Program, and \$30,000 for a stream enhancement project. The League for Coastal Protection, which also filed a law suit against PG&E, assisted in securing the environmental enhancement components of the proposed settlement.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, Department of Justice, Washington, DC 20530, and copied to Robert R. Klotz, Environmental Enforcement Section, U.S. Department of Justice, 301 Howard Street, Suite 870, San Francisco, CA 94105. Comments should refer to *U.S. v. Pacific Gas and Electric Company*, DOJ No. 90-5-1-1-4348.

The proposed PG&E consent decree may be examined at the office of the United States Attorney, Northern District of California, 450 Golden Gate Avenue, San Francisco, California 94102; the Region IX Office of the Environmental Protection Agency, 75 Hawthorne Street, San Francisco, California 94105; and at the Consent Decree Library, 1120 G Street, NW., 4th Floor, Washington, DC 20005, (202) 624-0892. A copy of the proposed consent decree may be obtained in person or by mail from the Consent Decree Library, 1120 G Street, NW., 4th Floor, Washington, DC 20005. To request a copy of the consent decree in *U.S. v. Pacific Gas and Electric Company*, please refer to that case and DOJ No. 90-5-1-1-4348 and enclose a check for the amount of \$9.75 (25 cents per page reproduction cost) payable to the Consent Decree Library.
