ACTION: Final rule; correction.

SUMMARY: This document makes corrections to a final rule which RSPA published in the **Federal Register** on May 2, 1997 (62 FR 24055). The final rule established two new informational sections which included Internet web site addresses. This final rule provides the most current web site address for RSPA's Office of Hazardous Materials Safety and corrects the web site address for RSPA's Office of Pipeline Safety.

EFFECTIVE DATE: June 26, 1997.

FOR FURTHER INFORMATION CONTACT:

Nancy E. Machado, Office of the Chief Counsel, (202) 366-4400, RSPA, Department of Transportation, 400 Seventh Street, SW, Washington, DC 20590-0001 (for hazardous materials transportation issues); or, Paul Sanchez, Office of the Chief Counsel, (202) 366-4400, RSPA, Department of Transportation, 400 Seventh Street, SW, Washington, DC 20590-0001 (for pipeline safety issues).

SUPPLEMENTARY INFORMATION: RSPA published a final rule on May 2, 1997 (62 FR 24055) that established two new informational sections. The new sections give notice of the availability of informal guidance and interpretative assistance concerning the Federal hazardous materials transportation law and the Hazardous Materials Regulations, as well as the Federal pipeline safety law and the pipeline safety regulations. The final rule provided Internet web site addresses for RSPA's Office of the Chief Counsel, Office of Hazardous Materials Safety (OHMS) and Office of Pipeline Safety (OPS). This document provides the most current web site address for OHMS. The Internet web site address for OPS was incorrect. This document provides the correct web site address for OPS.

Atlantic Tuna Fisheries; Regulatory Adjustments

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Final rule; technical amendment.

SUMMARY: NMFS is amending the final regulations governing the Atlantic tunas fisheries by removing a restriction on vessel permit changes that was inadvertently included in a recently published interim final rule that postponed the deadline for permit category changes for calendar year 1997. When issuing the interim final rule, it was not the intent of NMFS to add a restriction to limit category changes to a maximum of once per calendar year.

DATES: Effective June 25, 1997.

FOR FURTHER INFORMATION CONTACT: Christopher W. Rogers or John D. Kelly, 301-713-2347, FAX: 301-713-1917.

SUPPLEMENTARY INFORMATION: On May 20, 1997, NMFS published an interim final rule (62 FR 27518) that suspended indefinitely the deadline for Atlantic tunas vessel permit category changes for 1997. The final rule inadvertently included a restriction to limit such

permit category changes to a maximum of once per calendar year. This amendment revises the final regulations by removing the words "a maximum of once per calendar year" in the first sentence of 50 CFR 285.21(b)(7).

Classification

The Assistant Administrator for Fisheries, under 5 U.S.C. 553(b)(B), finds that providing prior notice and opportunity for public comment on this rule is unnecessary, because the rule merely corrects an earlier rule by removing an unintended restriction. The unintentional inclusion of this prohibition could result in adverse impacts on individual businesses that would not be able to select the appropriate permit category for their fishing operation. Because this rule relieves a restriction, under 5 U.S.C. 553(d)(1), it is not subject to a 30-day delay in effective date.

Because prior notice and opportunity for public comment are not required for this rule by 5 U.S.C. 553, or by any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, are inapplicable. This rule is exempt from review under E.O. 12866.

C. Karnella,

*Acting Assistant Administrator for Fisheries,
National Marine Fisheries Service.*

For the reasons set out in the preamble, 50 CFR part 285 is amended as follows:

**PART 285—ATLANTIC TUNA
FISHERIES**

1. The authority citation for part 285 continues to read as follows:

Authority: 16 U.S.C. 971 *et seq.*

2. In § 285.21, paragraph (b)(7) is revised to read as follows:

§ 285.21 Vessel permits.

* * * * *

(b) * * *

(7) Except for purse seine vessels for which a permit has been issued under this section, an owner may change the category of the vessel's Atlantic tunas permit to another category by application on the appropriate form to NMFS before the specified deadline. After the deadline, the vessel's permit category may not be changed to another category for the remainder of the calendar year, regardless of any change in the vessel's ownership. In years after 1997, the deadline for category changes is May 15.
