#### Arizona: Long-Term Visitor Area Program for 1997-1998 and Subsequent Use Seasons; Revision to Existing Supplementary Rules, Yuma Field Office, Arizona, and California Desert District, California

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Publication of supplementary rules for Long-Term Visitor Areas within the California Desert District, El Centro Resource Area.

**SUMMARY:** The Bureau of Land Management (BLM) Yuma Field Office and California Desert District announce revisions to the Long-Term Visitor Area (LTVA) Program. The program, which was instituted in 1983, established designated LTVAs and identified an annual long-term use season from September 15 to April 15. During the long-term season, visitors who wish to camp on public lands in one location for extended periods must stay in the designated LTVAs and purchase an LTVA permit.

**EFFECTIVE DATE:** September 15, 1997.

**FOR FURTHER INFORMATION CONTACT:** Mark Lowans, Outdoor Recreation Planner, Yuma Field Office, 2555 East Gila Ridge Road, Yuma, Arizona 85365, telephone (520) 317-3210; or Mark Conley, Outdoor Recreation Planner, Palm Springs-South Coast Resource Area, 690 West Garnet Avenue, North Palm Springs, California 92258, telephone (760) 251-4800; or Jeff Kowalczyk, Outdoor Recreation Planner, El Centro Resource Area, 1661 South Fourth Street, El Centro, California 92243, telephone (760) 337-4400.

**SUPPLEMENTARY INFORMATION:** The purpose of the LTVA program is to provide areas for long-term winter camping use. The sites designated as LTVAs are, in most cases, the traditional use area of long-term visitors. Designated sites were selected using criteria developed during the land management planning process, and environmental assessment were completed for each site location.

The program was established to safely and properly accommodate the

increasing demand for long-term winter visitation and to provide natural resource protection through improved management of this use. The designation of LTVAs assures that specific locations are available for long-term use year after year, and that inappropriate areas are not used for extended periods.

Visitors may camp without an LTVA permit outside of LTVAs, on public lands not otherwise posted or closed to camping, for up to 14 days in any 28-day period.

Authority for the designation of LTVAs is contained in Title 43, Code of Federal Regulations, Subpart 8372, Sections 0-3 and 0-5(g). Authority for the establishment of an LTVA program is contained in Title 43, Code of Federal Regulations, Subpart 8372, Section 1, and for the payment of fees in Title 36, Code of Federal Regulations, Subpart 71. The authority for establishing supplementary rules is contained in Title 43, Subpart 8365, Section 1-6. The LTVA supplementary rules have been developed to meet the goals of individual resource management plans. These rules will be available in each local office having jurisdiction over the lands, sites, or facilities affected, and will be posted near and/or within the lands, sites, or facilities affected. Violations of supplementary rules are punishable by a fine not to exceed \$100,000 and/or imprisonment not to exceed 12 months.

The following are the supplemental rules for the designated LTVAs and are in addition to rules to conduct set forth in Title 43, Code of Federal Regulations, Subpart 8365, Section 0.1 through 1-7.

The following supplemental rules apply year-long to all public land users who enter the LTVAs.

1. The Permit. A permit is required to camp in a designated LTVA between September 15 and April 15. The permit authorizes the permittee to camp within any designated LTVA using those camping or dwelling unit(s) indicated on the permit between the period from September 15 to April 15. There are two types of permits: Long-term and short-visit. The long-term permit fee is \$100.00, U.S. funds only, for the entire season and any part of the season. The short-term permit is \$20.00 for seven (7) consecutive days. The short-visit permit may be renewed an unlimited number of times for the cost of \$20.00 for seven consecutive days. *No refunds are made on permit fees.*

2. The Permit. To be valid, the short-visit permit or long-term permit decal must be affixed at the time of purchase, with the adhesive backing, to the bottom right-hand corner of the windshield of

all transportation vehicles and in a clearly visible location on all camping units. A maximum of two (2) secondary vehicles is permitted.

3. Permit Transfers. The permit may not be reassigned or transferred by the permittee.

4. Permit Revocation. An authorized BLM officer may revoke, without reimbursement, any LTVA permit issued to any person when the permittee violates any BLM rule or regulation, or when the permittee, permittee's family, or guest's conduct is inconsistent with the goal of BLM's LTVA Program. Failure to return any LTVA permit to an authorized BLM officer upon demand is a violation of this supplemental rule. Any permittee whose permit is revoked must remove all property and leave the LTVA system within 12 hours of notice. The revoked permittee will not be allowed into any other LTVA in Arizona or California for the remainder of the LTVA season.

5. Unoccupied Camping Units. Camping units or campsites must not be left unoccupied within any LTVA for periods of greater than 5 days unless approved in advance by an authorized BLM officer.

An LTVA permit is required for trash disposal within all LTVA campgrounds except for the Mule Mountain LTVA. The changing of motor oil, vehicular fluids, or disposal and possession of these used substances within an LTVA is strictly prohibited.

16. Dumping. Absolutely no dumping of sewage, gray water, or garbage on the ground. This includes motor oil and any other waste products: Federal, state, and county sanitation laws and county ordinances specifically prohibit these practices. Sanitary dump station locations are shown in the LTVA brochure. LTVA permits are required for dumping within all LTVA campgrounds except for the Midland LTVA.

17. Self-Contained Vehicles. In Pilot Knob, Dunes Vista, Midland, Tamarisk, and Hot Springs LTVAs, camping is restricted to self-contained camping units only. Self-contained units must have a permanent affixed waste water holding tank of 10-gallon minimum capacity. Port-a-potty systems, or systems which utilize portable holding tanks, or permanent holding tanks of less than 10-gallon capacity are not considered to be self-contained. The La Posa, Imperial Dam, and Mule Mountain LTVAs are restricted to self-contained camping units, except within 500 feet of a vault or rest room.

18. Campfires. Campfires are permitted in LTVAs subject to all local, state, and Federal regulations. Comply with posted rules.
