Colorado Interstate Gas Company; Notice of Request Under Blanket Authorization

July 7, 1997.

Take notice that on June 27, 1997, Colorado Interstate Gas Company (CIG), P.O. Box 1087, Colorado Springs, Colorado 80944 filed in Docket No. CP97-610-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for authorization to construct a new meter station at an existing delivery point in Douglas County, Colorado, under CIG's blanket certificate issued in Docket No. CP83-21-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

CIG proposes to construct a new meter station at its existing Bayou Gulch delivery point, located near Castle Rock, in Douglas County, Colorado where gas is delivered to UtiliCorp United Incorporated (UtiliCorp). CIG states that the existing delivery point to UtiliCorp is a 2 inch side tap delivery facility on its 20-inch main transmission line that was constructed pursuant to a Prior Notice filing in Docket No. CP84-762-000. CIG explains that currently UtiliCorp owns and maintains the measurement equipment at the Bayou Gulch delivery point. CIG claims that by installing CIG owned and operated measurement facilities at this point, it

will be possible to accurately measure volumes being supplied to this no-noticed customer. CIG proposes to install a Roots Gas Meter, a solar powered remote operating controller, and telemetry so it will know promptly if there are problems with gas flow at this point that serves a housing development.

CIG states that the estimated cost of the proposed facilities is approximately \$36,300. Additionally, CIG indicates that it has obtained all required environmental clearances.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
