Notice of Intent to Repatriate Cultural Items in the Possession of the Indian Arts Research Center, School of American Research, Santa Fe, NM

AGENCY: National Park Service

ACTION: Notice

Notice is hereby given under the Native American Graves Protection and Repatriation Act, 25 U.S.C. 3005 (a)(2), of the intent to repatriate cultural items in the possession of the Indian Arts Research Center, School of American Research, Santa Fe, NM which meet the definition of "sacred objects" and "objects of cultural patrimony" under Section 2 of the Act.

The 25 cultural items are Katsina Spirit Friends including Shalako Taka, two Anakatsina, Tasap, Alo Mana, Makto, Anakatsinamaana, two Humiskasina, Shalako Mana tablita, Sio Humis tablita, Sio Humis Katsina, six unnamed katsina friends, and seven mask attachments.

In 1925, Mr. Frank Applegate collected these Kaakastinam and mask attachments at the Hopi villages. Eight Kaakastinam were donated to the Indian Arts Fund, Inc. in 1925 and transferred to the School of American Research in 1972. The remaining items were purchased by the Indian Arts Fund, Inc. in 1925 and transferred to the School of American Research in 1972.

The cultural affiliation of these items is clearly Hopi based on the accession information and consultation with Hopi representatives. Representatives of the Hopi Tribe and acting on behalf of the Katsinmomngwit (Hopi traditional religious leaders) have stated that the above Kaakatsinam and mask attachments are sacred objects needed by traditional religious leaders for the practice of traditional Native American religion by present day adherents. Representatives of the Hopi Tribe and acting on behalf of the Katsinmomngwit (Hopi traditional religious leaders) have also stated that the above Kaakatsinam and mask attachments have ongoing historical, traditional, and cultural importance central to the Hopi Tribe, and could not have been alienated by any individual.

Based on the above-mentioned information, officials of the School of American Research have determined that, pursuant to 25 U.S.C. 3001 (3)(C), these 25 cultural items are specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native

American religions by their present-day adherents. Officials of the School of American Research have also determined that, pursuant to 25 U.S.C. 3001 (3)(D), these 25 cultural items have ongoing historical, traditional, and cultural importance central to the culture itself, and could not have been alienated, appropriated, or conveyed by any individual. Lastly, officials of the School of American Research have determined that, pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity which can be reasonably traced between these items and the Hopi Tribe.

This notice has been sent to officials of the Hopi Tribe. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these objects should contact Mr. Michael Hering, Director, or Ms. Christy Sturm, Associate Collections Manager, Indian Arts Research Center, School of American Research, P.O. Box 2188, Santa Fe, NM 87504, telephone (505) 982-3584 before August 11, 1997. Repatriation of these objects to the Hopi Tribe may begin after that date if no additional claimants come forward.

Dated: July 1, 1997.

Manager, Archeology and Ethnography
