The adjustments contained in this notice are required by the statutes and regulations governing the Child and Adult Care Food Program (CACFP).

Definitions

The terms used in this notice shall have the meanings ascribed to them in the regulations governing the CACFP (7 CFR Part 226).

Background

Pursuant to Sections 4, 11 and 17 of the National School Lunch Act (NSLA) (42 U.S.C. §§ 1753, 1759a and 1766), Section 4 of the Child Nutrition Act of 1966 (42 U.S.C. § 1773) and Sections 226.4, 226.12 and 226.13 of the regulations governing the CACFP (7 CFR Part 226), notice is hereby given of the new payment rates for participating institutions. These rates shall be in effect during the period July 1, 1997 through June 30, 1998.

As provided for under the NSLA and the Child Nutrition Act of 1966, all rates in the CACFP must be revised annually on July 1 to reflect changes in the Consumer Price Index for the most recent 12-month period. In accordance with this mandate, the Department last published the adjusted national average payment rates for centers, the food service payment rates for day care homes and the administrative reimbursement rates for sponsors of day care homes on July 11, 1996 at 61 FR 36545 (for the period July 1, 1996–June 30, 1997).

Section 704(b) of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, enacted August 22, 1996, amends § 11a(3)(B) of the National School Lunch Act (42 U.S.C. § 1759a(a)(3)(B)) and changes the method for computing the annual adjustments to the national average payment rates for meals and supplements served to *non-needy* children in day care centers. Effective July 1, 1997, the annual adjustments to the payment rates for *paid* meals and *paid* supplements, will be rounded down to the nearest whole cent. The annual adjustments to the payments for free and reduced price meals and to the payments for free and reduced price supplements were unchanged by Pub.L. 104-193 and continue to be rounded up or down to the nearest one-fourth cent.

Section 708(e)(1) of Pub.L. 104-193, also amended section 17(f)(3)(A) of the NSLA to establish two "tiers" of day care homes and reimbursement rates. Pursuant to these amendments, tier I homes are those that are located in low-income areas or those in which the provider's household income is at or below 185 percent of the Federal income poverty guidelines. Tier II homes are those which do not meet the location or provider income criteria for a tier I home. However, tier II homes may receive the tier I rates for meals served to identified income-eligible children (i.e. children from households with incomes at or below 185 percent of the Federal income poverty guidelines).

Pub. L. 104-193 further specified in section 17(f)(3)(A)(ii) (III) and (IV) the reimbursement factors for meals served in tier I day care homes as the factors in effect on July 1, 1996, with adjustments made to the factors on July 1, 1997, and each July 1 thereafter. Pub. L. 104-193 further provided in section 17(f)(3)(A)(ii)(IV) and (iii)(I)(bb) (42 U.S.C. § 1766(f)(3)(A)(ii)(IV) and (iii)(I)(bb)) of the NSLA that the factors paid to tier I and tier II homes be rounded down to the nearest whole cent, instead of rounding the factors up or down to the nearest quarter-cent increment as previously required. Subsequent adjustments must be based on the unrounded rate from the preceding school year. In addition, annual adjustments, which were previously based on changes in the Consumer Price Index for food away from home, must now be made based on the Consumer Price Index for food at home.

Please note that, reimbursement rates for tier II family day care homes are set forth in section 17(f)(3)(A)(iii)(I)(aa) of the NSLA (42 U.S.C. §§ 1766(f)(3)(A)(iii)(I)(aa)), as amended by section 708(e)(1) of P.L. 104-193. After these reimbursement rates were adjusted and rounded down to the nearest whole cent as required under the law, an additional six cents was added to the breakfast rate as required by section 4(b)(3) of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1773(b)(3)). The Child Nutrition Act requires that all reimbursement rates for breakfasts served under the School Breakfast Program and the CACFP be adjusted upward by six cents. As background, this addition was first made in 1986, under Pub. L. 99-500, the School Lunch and Child Nutrition Amendments of 1986, which added three cents to adjusted breakfast rates to assist States in improving the nutritional quality of the breakfasts and this adjustment was raised from three cents to six cents in 1989 under Pub. L. 101-147, the Child Nutrition and WIC Reauthorization Act of 1989, for the same reason.
