Lastly, officials of the University of Alaska Museum have determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and the Native Village of Brevig Mission.

This notice has been sent to officials of the Native Village of Brevig Mission and Bering Straits Foundation. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains should contact Gary Selinger, Special Projects Manager, University of Alaska Museum, 907 Yukon Drive, Fairbanks, AK 99775-1200; telephone: (907) 474-6117 before August 15, 1997.
