**ACTION:** Notice.

**SUMMARY:** The Health Resources and Services Administration (HRSA) announces that a total of 9 Health Care for the Homeless (HCH) grantees will reach the end of their project periods during fiscal year (FY) 1998. Assuming the availability of sufficient appropriated funds in FY 1998, it is the intent of HRSA to continue to support health services to the homeless populations in these areas/locations given the continued need for cost-effective, community-based primary care services for these medically underserved populations within these geographic areas.

**DUE DATES:** Current grant expiration dates vary by grantee throughout FY 1998. Applications for competing continuation grants are normally due 120 days prior to the expiration of the current grant award.

**SUPPLEMENTARY INFORMATION:** The HCH program is carried out currently under the authority of section 330(h) of the Public Health Service Act (42 U.S.C. 254b(h)). The HCH program is designed to increase the homeless population's access to cost-effective, case managed, and integrated primary care and substance abuse services.

The list of areas in which a current homeless project period expires in FY 1998 is set forth in Appendix II. The areas listed include the city. Further information including the census tract, if applicable, can be obtained by contacting the appropriate HRSA Field Office (see Appendix I).

A project period is the total amount of time for which a grant has been programmatically approved. For purposes of this notice, grant awards will be made for a one year budget period and up to a five year project period.
