The second anniversary of the continuation date of Southern's PDM will be November 1, 1997, and Southern anticipates that it will be unable to obtain reformation of all of its gas supply contracts prior to that date. August 5, 1997.

Texas Eastern asserts that the purpose of this filing is to comply with the Stipulation and Agreement (S&A) approved by the Commission in Docket Nos. RP90-119 et al., in order to remove costs associated with the merger between Panhandle Eastern Corporation and Texas Eastern and as a result reduce Texas Eastern's system rates by approximately \$4.7 million annually. Texas Eastern also states that Article I, Section 4 of the S&A provides that the compliance filing removing the Consolidation Costs will not constitute a new Section 4 filing, will not be subject to suspension and will be subject to review on the sole question of whether it accurately implements Article I, Section 4 of the S&A.

Texas Eastern states that copies of this filing were served on firm customers of Texas Eastern, interested state commissions, current interruptible customers and all parties to the S&A.
