

safety and environmental protection through risk management, work in partnership with OPS to evaluate the merits of risk management, and show a corporate commitment to use the risk management process as a day-to-day part of their business practices. The selection criteria for the Demonstration Program favors those proposals that are the most comprehensive. The company must also have a clear and established record of compliance in the existing program in order to be considered for participation.

8. Enforceable Agreements and Incentives To Perform

Just as the traditional regulatory system provides a clear process to monitor performance, so must the risk management alternative. Once OPS approves a Formal Application and Work Plan, an order will be issued and notice made to the public through the **Federal Register**. The order will specify the pipeline safety regulatory requirements for the period of the demonstration, and set forth the terms and conditions for the operator's participation in the project.

OPS will have an audit plan to monitor how well the operator is meeting the performance goals. OPS's full statutory authority to inspect pipeline facilities remains in effect.

Should any unsafe conditions arise, OPS will work with participating companies to see that such conditions are quickly remedied.

OPS invites comments on ways we can make the communications program more meaningful.

Currently, the Bureau of Alcohol, Tobacco and Firearms within the Department of the Treasury is soliciting comments concerning the Firearms Transaction Record, Part II Non-Over-The-Counter.

DATES: Written comments should be received on or before October 10, 1997 to be assured of consideration.

ADDRESSES: Direct all written comments to Linda Barnes, Bureau of Alcohol, Tobacco and Firearms, 650 Massachusetts Avenue, NW., Washington, DC 20226, (202) 927-8930.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the form(s) and instructions should be directed to Nicholas Colucci, Firearms and Explosives Operations Branch, 650 Massachusetts Avenue, NW., Washington, DC 20226, (202) 927-8310.

SUPPLEMENTARY INFORMATION:

Title: Firearms Transaction Record, Part II Non-Over-The Counter.

OMB Number: 1512-0130.

Form Number: ATF F 4473 (5300.9) Part II.

Abstract: ATF F 4473 (5300.9) Part II is used to determine the eligibility under the Gun Control Act (GCA) of a

person to receive a firearm from a Federal firearms licensee. It is also used to establish the identity of the buyer. The form is also used in law enforcement in investigations/inspections to trace firearms or to confirm criminal activity of persons violating the GCA. The record retention requirement for this information collection is 20 years.

Current Actions: Revisions have been made to the form in accordance with new laws and regulations. Question 8a. on the form asks whether the transferee of the firearm is the actual purchaser. This question implements the GCA, which precludes licensees from transferring firearms without making a record of this disposition, including the identity, place of residence, and date of birth of firearms purchasers. Question 8j. is being added as a result of the Violent Crime Control and Law Enforcement Act of 1994. This statute amended the GCA to make it unlawful for any person subject to a court order restraining them from harassing, stalking, or threatening an intimate partner or child of such partner to ship, transport, possess, or receive firearms. Definition 4. defines intimate partner. Question 8k. of the form is added as a result of the Omnibus Consolidated Appropriations Act of 1997. This statute amended the GCA to make it unlawful for any person to ship, transport, possess, or receive firearms. Definition 5. defines a misdemeanor crime of domestic violence. The form has been amended to advise law enforcement officers that they must certify that they have not been convicted of a misdemeanor crime of domestic violence. There has been a change in the certification statement on the front of the form, in which the firearm purchaser certifies that he/she understands that the repetitive purchase of firearms for resale requires a Federal Firearms license. Important Notice 7. has been added, advising purchasers acquiring firearms for the purpose of exportation that the State Department may require a license to be obtained prior to exportation. Additional information is being requested on the form as a result of changes to the firearms regulations. These changes will require that a transferee identify his/her citizenship status and State of residence. These changes will also require that aliens legally in the United States show photo identification and documentation (such as utility bills or lease agreements) establishing that they have resided in the United States at least 90 days as required by the regulations.

Type of Review: Extension with changes.

Affected Public: Individuals or households.

Estimated Number of Respondents: 20,900.

Estimated Time Per Respondent: 6 minutes.

Estimated Total Annual Burden Hours: 9,057.

REQUEST FOR COMMENTS: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Dated: August 6, 1997.
