Intent To Amend the Clark County Management Framework Plan/ Environmental Impact Statement

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Intent. The Bureau of Land Management (BLM) is proposing to prepare a supplement to the Clark County Management Framework Plan/ Environmental Impact Statement (MFP/ EIS) to analyze the expansion of the existing land disposal boundary by approximately 200 acres.

SUMMARY: A land development company (Perma-Bilt Homes) purchased 132 acres of private lands which are surrounded

by BLM administered lands. The company can not develop the land until the surrounding BLM parcels are acquired through Phase II of the proposed land exchange. The land identified in this amendment is contained within the Southern Nevada Public Land Management Act of 1997, as well as the Draft Stateline Resource Area Resource Management Plan/ Environmental Impact Statement. The Environmental Assessment (EA) being prepared for this action will also analyze the exchange of selected (federal lands) for offered (non-federal lands).

DATES: A 30 day public review and comment period is provided. A meeting is scheduled for February 3, 1997, from 6 p.m. to 7 p.m., in the Las Vegas District conference room to offer the public an opportunity to provide input into the land use plan amendment process and EA.

ADDRESSES: All comments and concerns you may have with this proposed

amendment are to be submitted to: Bureau of Land Management, Attention: Las Vegas District Manager, 4765 Vegas Drive, Las Vegas, Nevada, 89108. Comments can also be hand delivered to the same address.

FOR FURTHER INFORMATION CONTACT:

Michael F. Dwyer, Las Vegas District Manager, Cheryl Frassa, Reality Specialist or Jeffrey G. Steinmetz, Planning and Environmental Coordinator, at (702) 647-5000.

SUPPLEMENTARY INFORMATION: The lands identified for the exchange are within the Community District 2 (CD2) designation which Clark County Comprehensive Planning has developed. The purpose of CD2 is to guide growth where urban development already exists. Therefore, the amendment and exchange are consistent with County development guidelines.

The federal lands (105 acres) identified by the proponent are not within the existing land disposal boundary designated in the Clark County Management Framework Plan, for the Las Vegas Valley.
