SUPPLEMENTARY INFORMATION: Acting under the Hotel and Motel Fire Safety Act of 1990, 15 U.S.C. 2201 note, the

United States Fire Administration has worked with each State to compile a national master list of all of the places of public accommodation affecting commerce located in each State that meet the requirements of the guidelines under the Act. FEMA published the national master list in the Federal Register on Friday, June 21, 1996, 61 FR 32036-32256.

Parties wishing to be added to the National Master List, or to make any other change, should contact the State office or official responsible for compiling listings of properties which comply with the Hotel and Motel Fire Safety Act. A list of State contacts was published in 61 FR 32032, also on June 21, 1996. If published list is unavailable to you, the State Fire Marshal's office can direct you to the appropriate office. The Hotel and Motel Fire Safety Act of 1990 National Master List is now accessible electronically. The National Master List Web Site is located at:

<http://www.usfa/fema.gov/hotel/index.htm>

Visitors to this web site will be able to search, view, download and print all or part of the National Master List by State, city, or hotel chain. The site also provides visitors with other information related to the Hotel and Motel Fire Safety Act. Instructions on gaining access to this information are available as the visitor enters the site.

Periodically FEMA will update and redistribute the national master list to incorporate additions and corrections/changes to the list, and deletions from

the list, that are received from the State offices. Each update contains or may contain three categories: "Additions;" "Corrections/changes;" and "Deletions." For the purposes of the updates, the three categories mean and include the following:

"Additions" are either names of properties submitted by a State but inadvertently omitted from the initial master list or names of properties submitted by a State after publication of the initial master list;

"Corrections/changes" are corrections to property names, addresses or telephone numbers previously published or changes to previously published information directed by the State, such as changes of address or telephone numbers, or spelling corrections; and

"Deletions" are entries previously submitted by a State and published in the national master list or an update to the national master list, but subsequently removed from the list at the direction of the State.

Copies of the national master list and its updates may be obtained by writing to the Government Printing Office, Superintendent of Documents, Washington, DC 20402-9325. When requesting copies please refer to stock number 069-001-00049-1.
