BILLING CODE 4820-02-P

DEPARTMENT OF THE TREASURY

Internal Revenue Service

Privacy Act of 1974; System of Records

AGENCY: Internal Revenue Service, Treasury.

ACTION: Notice of alteration to an existing Privacy Act system of records.

SUMMARY: The Treasury Department, Internal Revenue Service, gives notice of the proposed alteration to Treasury/IRS 24.046—Business Master File (BMF), Taxpayer Services, which is subject to the Privacy Act of 1974, 5 U.S.C. 552a, as amended.

EFFECTIVE DATE: Comments must be received no later than September 24, 1997. The alteration to the system of records will be effective October 6, 1997, unless comments are received which result in a contrary determination.

ADDRESSES: Comments should be sent to the Office of Governmental Liaison and Disclosure, Internal Revenue Service, 1111 Constitution Avenue, NW, Washington, DC 20224. Comments will be made available for inspection and copying in the Freedom of Information Reading Room upon request.

FOR FURTHER INFORMATION CONTACT: John Coulter, Office of Chief Counsel, Income Tax and Accounting, at (202) 622-4940, or Luetta Donalds, Office of Payer Compliance, at (202) 622-8753, National Office, Internal Revenue Service.

SUPPLEMENTARY INFORMATION: The IRS is making certain changes to Treasury/IRS 24.046—Business Master File (BMF), Taxpayer Services. The alterations reflect changes that are necessary to the system to implement the Federal Agency Taxpayer Identification Number Matching Program, change the system name and title of the system owner to reflect the new organizational structure of the IRS, and to list new locations in which system records are kept.

To improve administration of the backup withholding provision of § 3406 of the Internal Revenue Code, IRS may inform Federal agencies monthly if the Employer Identification Numbers (EINs) of sole proprietors that IRS has on record match the records of the agencies. This should reduce the number of times agencies will need to impose backup withholding on payments, and increase compliance. IRS has added a new routine use and expanded the categories of individuals covered by the system to implement this change.
