**DEPARTMENT OF THE TREASURY**

**Internal Revenue Service**

**Privacy Act of 1974; System of Records**

**AGENCY:** Internal Revenue Service, Treasury.

**ACTION:** Notice of alteration to an existing Privacy Act system of records.

**SUMMARY:** The Treasury Department, Internal Revenue Service, gives notice of the proposed alteration to Treasury/IRS 24.046—Business Master File (BMF), Taxpayer Services, which is subject to the Privacy Act of 1974, 5 U.S.C. 552a, as amended.

**SUPPLEMENTARY INFORMATION:** The IRS is making certain changes to Treasury/IRS 24.046—Business Master File (BMF), Taxpayer Services. The alterations reflect changes that are necessary to the system to implement the Federal Agency Taxpayer Identification Number Matching Program, change the system name and title of the system owner to reflect the new organizational structure of the IRS, and to list new locations in which system records are kept.

To improve administration of the backup withholding provision of § 3406 of the Internal Revenue Code, IRS may inform Federal agencies monthly if the Employer Identification Numbers (EINs) of sole proprietors that IRS has on record match the records of the agencies. This should reduce the number of times agencies will need to impose backup withholding on payments, and increase compliance. IRS has added a new routine use and expanded the categories of individuals covered by the system to implement this change.

The categories of individuals covered by the system have been expanded to include sole proprietors who file business returns.

The categories of records in the system have been expanded to include EINs/name control files which contain EINs and the associated IRS name controls.

New locations where the system records are kept have been added to include the three locations where the TeleFile records (records about returns filed by telephone) are maintained. These include: the Cincinnati Service Center, 201 West River Center Blvd., Covington, KY 41019; the Memphis Service Center, 3131 Democrat Road, Memphis, TN 38118; and, the Ogden Service Center, 1160 West 1200 South Street, Ogden, UT 84201.

A "Purpose(s)" data element is also being added to the system of records.

The routine use is being altered to read: Disclosure of returns and return information may be made as provided by 26 U.S.C. 6103, and for meeting the requirements of 26 U.S.C. 3406. 26 U.S.C. 3406 provides, in part, that the Secretary of the Treasury notify a payor that the TIN (Taxpayer Identification Number) furnished by the payee is incorrect.

The alterations to the existing system of records are published below. The system notice for Treasury/IRS 24.046 was published in its entirety most recently in the **Federal Register** Vol. 60, page 56788, November 9, 1995.

Dated: August 14, 1997.
