Polyethylene Terephthalate Film, Sheet, and Strip From the Republic of Korea; Amendment of Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amendment of final results of antidumping duty administrative review.

SUMMARY: On July 16, 1997, the Department of Commerce (the Department) published the final results of its administrative review of the antidumping duty order on polyethylene terephthalate (PET) film, sheet, and strip from the Republic of Korea (62 FR 38064). The review covered two manufacturers/exporters of the subject merchandise to the United States and the period June 1, 1995 through May 31, 1996. Based on the correction of a ministerial error made in those final results, we are publishing this amendment in accordance with 19 CFR 353.28(c).

EFFECTIVE DATE: August 26, 1997.

FOR FURTHER INFORMATION CONTACT: Maureen McPhillips or Linda Ludwig, AD/CVD Enforcement Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th and Constitution Avenue, NW, Washington, DC 20230,

telephone: (202) 482-3019 or 3833, respectively.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930 (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all references to the Department's regulations are to the regulations as codified at 19 CFR part 353 (April 1997).

SUPPLEMENTARY INFORMATION:

Background

On July 16, 1997, the Department published the final results of its administrative review of the antidumping duty order on polyethylene terephthalate (PET) film, sheet, and strip from the Republic of Korea (62 FR 38064). Neither petitioners nor respondents submitted comments on the final results in accordance with 19 CFR 353.28.

For the period of review (POR), June 1, 1995 through May 31, 1996, the Department calculated *de minimis* (e.g., less than 0.5 percent) weighted-average dumping margins for both SKC Limited (SKC) and STC Corporation (STC), the two manufacturers/exporters subject to review. However, the final results erroneously indicated that cash deposit rates for the companies would be the company-specific rates calculated during the POR. We are amending the final results to correct this ministerial error. Because the weighted-average dumping margins for both companies are *de minimis* during the POR, the cash deposit rate will be zero percent for both companies. (See 19 CFR 353.6). These deposit rates are in effect as of the date of publication of the final results of this administrative review (July 16, 1997) and shall remain in effect until publication of the final results of the next administrative review.

Amended Final Results of Review

As the correction of the ministerial error did not require a recalculation of the weighted-average dumping margins, the margins continue to be:

Manufacturer/exporter	Period of review	Margin (percent)
SKC Limited	06/01/95-05/31/96	0.45
STC Corporation	06/01/95-05/31/96	0.37

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between export price and normal value may vary from the percentages stated above. The Department will issue appraisal instructions directly to the Customs Service.

Furthermore, the following deposit requirements are in effect as of the date of publication of the final results of this administrative review (July 16, 1997) for all shipments of PET film from the Republic of Korea within the scope of the order entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review (July 16, 1997), as provided by section 751(a)(1) of the Tariff Act: (1) Because the weighted-average dumping margins for SKC and STC are *de minimis*, the cash deposit rates for these companies will be zero percent; (2) for previously reviewed or investigated companies not listed above, the rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) for all other producers and/or exporters of this merchandise, the cash deposit rate will be 21.50 percent, the "all others" rate established in the remand redetermination of the LTFV investigation, as explained below. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

On May 20, 1996, pursuant to court remand, the Department recalculated the weighted-average dumping margins for the LTFV investigation. As a result of the recalculation, the Department established an "all others" rate of 21.50 percent. *Final Determination on Remand Pursuant to Court Order, E.I. DuPont de Nemours & Co., Inc. versus United States*, Court No. 91-07-00487, Slip Op. 96-56 (March 20, 1996). On February 5, 1997, the CIT affirmed the Department's remand redetermination of the LTFV investigation. *E.I. DuPont de Nemours & Co., Inc., versus United States*, Court No. 91-07-00487, Slip Op. 97-17 (February 5, 1997). Accordingly, 21.50 percent is the "all others" rate established in the LTFV investigation. Pursuant to the CIT decisions in *Floral Trade Council versus United States*, 822 F. Supp. 766 (CIT 1993) and *Federal*

Mogul Corporation versus United States, 822 F. Supp. 782 (CIT 1993), this "all others" rate can only be changed through an administrative review.

These amended final results of administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1) and 19 CFR 353.28(c).

Dated: August 15, 1997.

Robert S. LaRussa,

Assistant Secretary for Import Administration.

Aspheric Ophthalmoscopy Lenses From Japan, Revocation of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Revocation of Antidumping Duty Order.

SUMMARY: The Department of Commerce (the Department) is notifying the public of its revocation of the antidumping duty order on aspheric ophthalmoscopy lenses from Japan because it is no longer of any interest to domestic interested parties.

EFFECTIVE DATE: August 26, 1997.

FOR FURTHER INFORMATION CONTACT: Jack Dulberger or Michael Panfeld, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230, telephone (202) 482-5505.

SUPPLEMENTARY INFORMATION:

Background

The Department may revoke an antidumping duty order if the Secretary concludes that the duty order is no longer of any interest to domestic interested parties. We conclude that there is no interest in an antidumping duty order when no interested party has requested an administrative review for five consecutive review periods and when no domestic interested party objects to revocation (19 CFR § 353.25(d)(4)(iii)).

On April 7, 1997, the Department published in the **Federal Register** (62 FR 16540) its notice of intent to revoke the antidumping duty order on aspheric ophthalmoscopy lenses from Japan (April 15, 1992). Additionally, as required by 19 CFR § 353.25(d)(4)(ii), the Department served written notice of its intent to revoke this antidumping duty order on each domestic interested party on the service list. Domestic interested parties who might object to the revocation were provided the opportunity to submit their comments not later than the last day of the anniversary month.
