Workshop on Water Conservation Plan Guidelines and Water Conservation Plan Guidelines Subcommittee Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: EPA will hold a Workshop on September 22, 1997 in Denver, CO, to discuss issues related to the water conservation plan provision of the 1996 Safe Drinking Water Act, and to provide a forum for stakeholder input in the development of these guidelines. On September 23, 1997, the Water Conservation Plan Guidelines Subcommittee of the Local Government Advisory Committee, formed to obtain input on the guidelines, will also meet.

The Workshop and Subcommittee meeting are open and all interested persons are invited to attend on a space-available basis. Minutes will be available after both sessions and can be obtained by written request from the Designated Federal Officer (DFO). To register for the Workshop, members of

the public are requested to call Rudd Coffey, with The Cadmus Group, Inc., at (617) 894-9830, or fax at (617) 894-7238, or e-mail at rcoffey@ziplink.net. Those individuals interested in the Subcommittee meeting should call John Flowers at (202) 260-7288.

DATES: The Workshop will be held from 9:00 a.m. to 5:00 p.m. on Monday, September 22, 1997. The Subcommittee meeting will be held from 8:30 a.m. to 12:00 noon on September 23, 1997.

ADDRESSES: Both meetings will be held at the Sheraton Denver West Hotel, 360 Union Boulevard, Lakewood, CO.

Requests for minutes and other information can be obtained by writing to John E. Flowers, U.S. Environmental Protection Agency, Office of Wastewater Management (Mail Code 4204), 401 M Street, S.W., Washington, D.C. 20460.

FOR FURTHER INFORMATION CONTACT: The DFO for this Subcommittee is John E. Flowers. He is the point of contact for information concerning any Subcommittee matters and can be reached by calling (202) 260-7288. For further information regarding the Workshop, individuals should contact Rudd Coffey at the numbers provided above.

Dated: August 18, 1997.

Alfred W. Lindsey,

Acting Director, Office of Wastewater Management.

Parramore Fertilizer Site/Tifton, Georgia; Notice of Proposed Settlement

AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed settlement.

SUMMARY: Under section 122(h)(1) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), the Environmental Protection Agency (EPA) has proposed to settle claims for response costs at the Parramore Fertilizer Site (Site) located in Tifton, Georgia, with Minnesota Mining & Manufacturing Company and Electroless Nickel Plating of Louisiana. EPA will consider public comments on the proposed settlement for thirty days. EPA may withdraw from or modify the proposed settlement should such comments disclose facts or considerations which indicate the proposed settlement is inappropriate,

improper, or inadequate. Copies of the proposed settlement are available from: Ms. Paula V. Batchelor, U.S. Environmental Protection Agency, Region IV, Program Services Branch, Waste Management Division, 61 Forsyth Street, S.W., Atlanta, Georgia 30303, (404) 562-8887.

Written comment may be submitted to Mr. Greg Armstrong at the above address within 30 days of the date of publication.

Dated: August 21, 1997.

Richard D. Green,

Acting Director, Waste Management Division.

FEDERAL COMMUNICATIONS COMMISSION

Public Information Collections Approved by Office of Management and Budget

August 21, 1997.

The Federal Communications Commission (FCC) has received Office

of Management and Budget (OMB) approval for the following public information collections pursuant to the Paperwork Reduction Act of 1995, Pub. L. 104-13. An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid control number. For further information contact Shoko B. Hair, Federal Communications Commission, (202) 418-1379.

Federal Communications Commission

OMB Control No.: 3060-0742.

Expiration Date: 12/31/99.

Title: Number Portability—47 CFR Part 52, Subpart C, Sections 52.21-52.31.

Form No.: N/A.

Respondents: Business or other for profit.

Estimated Annual Burden: 237 respondents; 4.74 hours per response (avg.); 1125 total annual burden hours for all collections.

Estimated Annual Reporting and Recordkeeping Cost Burden: \$0.

Frequency of Response: On occasion.

Description: In the First Memorandum Opinion and Order on Reconsideration (First Reconsideration Order) issued in CC Docket No. 95-116, the Commission generally affirms and clarifies rules promulgated in the First Report and Order issued in this proceeding which implements the statutory requirement that local exchange carriers (LECs) provide number portability as set forth in Section 251 of the Telecommunications Act of 1996 (1996 Act). The Commission requires the following information to be collected from various entities: a. Field Test report: The First Report and Order requires carriers participating in a field test of number portability in the Chicago, Illinois area to jointly file with the Commission a report of their findings within 30 days after completion of the test. At this time, it is not clear how many carriers will be participating, but it is likely to include several new entrant local exchange carriers (LECs) and the dominant incumbent LEC in the region. See 47 CFR Section 52.23(g). (11 respondents=20 hours per respondent=220 annual burden hours). b. Requests for long-term number portability in areas inside or outside the 100 largest MSAs: The First Memorandum Opinion and Order on Reconsideration requires that long-term number portability must be provided by LECs and CMRS providers inside the 100 largest Metropolitan Statistical Areas (MSAs) in switches for which another carrier has made a specific
