### Foreign-Trade Zones Board

[Docket 68-97]

#### **Foreign-Trade Zone 119—Minneapolis, MN; Application for Subzone Status, Zytec Corporation Facilities (Electric Power Supplies), Redwood Falls, MN**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Greater Metropolitan Area Foreign Trade Zone Commission, Inc., grantee of FTZ 119 (Minneapolis, Minnesota, area), requesting special-purpose subzone status for the electric power supply manufacturing facilities of Zytec Corporation (Inc.), located in Redwood Falls, Minnesota. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on August 22, 1997.

The proposed subzone would consist of Zytec's manufacturing/warehousing facilities on two parcels located in Redwood Falls (Redwood County), Minnesota, some 80 miles southwest of Minneapolis: Parcel 1 (134,000 sq. ft. on 12 acres)—manufacturing/warehouse facilities, 1425 East Bridge Street, about one-half mile east of downtown Redwood Falls; Parcel 2 (46,000 sq. ft. on 4 acres)—manufacturing/warehouse

facilities, adjacent west of Parcel 1. The facilities (800 employees) are used to produce electric switch mode power supplies (HTSUS #8504.40.60) for the U.S. market and export. The power supplies are sold to manufacturers of data processing, communications, and electronic business equipment. The production process involves assembly, testing and warehousing. Components purchased from abroad (about 50% of total, by value) include: Diodes, semiconductors, transformers, thermostats, torroids, inductors, fans, batteries, circuit breakers, resistors, and capacitors (duty rate range: free—9.4%).

FTZ procedures would exempt Zytec from Customs duty payments on the foreign components used in the export production. On its domestic sales, the company would be able to choose the duty rate that applies to the power supplies (duty free) for the foreign inputs noted above. The application indicates that subzone status would help improve the international competitiveness of the Zytec facilities.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 28, 1997. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to November 12, 1997).

A copy of the application and the accompanying exhibits will be available for public inspection at each of the following locations:

In accordance with section 351.213 of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. The Department has changed its requirements for requesting reviews for countervailing duty orders. Pursuant to 771(9) of the Act, an interested party must specify the individual producers or exporters covered by the order or suspension agreement for which they are requesting a review (Interim Regulations, 60 FR 25130, 25137 (May 11, 1995)). Therefore, for both antidumping and countervailing duty reviews, the interested party must specify for which individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation

of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of September 1997. If the Department does not receive, by the last day of September 1997, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: August 22, 1997.

#### SUPPLEMENTARY INFORMATION:

##### Background

On January 15, 1997, the Department published in the **Federal Register** the final results of its administrative reviews of the antidumping duty orders on AFBs from France, Germany, Italy, Japan, Singapore, and the United Kingdom (62 FR 2081). Respondents NSK and NSK/RHP challenged the final results before the Court of International Trade (CIT), alleging clerical errors in the calculations for AFBs from Japan and the United Kingdom. On May 27, 1997, the CIT remanded the Final Results to the Department to correct certain clerical errors. *See NSK Ltd., and NSK Corporation v. United States*, 966 F. Supp. 1241 (May 27, 1997), and *RHP Bearings Ltd. et al. v. United States*, 966 F. Supp. 1240 (May 27, 1997).

On June 23, 1997, in compliance with the CIT's instructions, we submitted a remand redetermination correcting the clerical errors at issue. On July 7, 1997, in slip opinion 97-90, the CIT affirmed the remand redetermination. On August 8, 1997, the CIT ordered the Department to issue, and transmit to the **Federal Register** for publication, the amended Final Results arising from the remand redetermination. This notice implements the CIT's order.

##### Amended Final Results of Reviews

As a result of the amended margin calculations as directed by the CIT, the following weighted-average percentage margins exist for the period May 1, 1994, through April 30, 1995:
